Amravati to strengthen the quality of teaching learning environment to provide possible facilities and Infrastructure. We used following parameters to evaluate this feedback 1 to 10 points.

1. Employees are acquainted with necessary technical call knowledge.
2. Employees possess adequate communication skills as per the expectation of the job requirement.
3. The employee is supportive to find practical knowledge.
4. The employees can work as part of a team with other employees.
5. The employee is creative in response to workplace challenge.
6. The employee is convenient with use of latest technique knowledge delivering techniques.

The Employers feedback plays a crucial role in deciding and analyzing the key areas of improvement from the career perspective of the student. It also provides a fair idea about where the students are lagging and the different ways to overcome it.

1. 90% of the employers have shown affirmative response to the theoretical knowledge of their employees.
2. However, they have informed that the students were lacking the quality of working in team to attain a common goal for the organization.
3. They have informed that the students need to focus on communication skills and qualities required to work in a team environment.

- 1) It is observed that most of the students are satisfied on teaching faculty, about their knowledge.
- 2) The majority of the students are agreed with the teacher encourages participation and discussion in class.
- 3) Students have demanded for the online classes due to the Covid-19 pandemic.

E) Feedback from Employer:-

Feedback from employer students about teacher is taken for the session 2020-2021 of Vinayak Vidnyan Mahavidyalaya Nandgaon Kh. Amravati to strengthen the quality of the teaching learning environment to provide possible facilities and Infrastructure. We used the following parameters to evaluate this feedback 1 to 10 points.

1. Employees are acquainted with necessary techniques call knowledge.
2. Employees possess adequate communication skills as per the expectation of the job requirement.
3. The employee is supportive to find practical knowledge.
4. Employees can work as part of a team with other employees.
5. The employee is creative in response to work place challenges.
6. The employee is convenient with use of latest technique knowledge.

The Employers feedback plays a crucial role in deciding and analyzing the key areas of improvement from the career perspective of the student. It also provides a fair idea about where the students are lagging and the different ways to overcome it.

1. 80% of the employers have shown affirmative response to the theoretical knowledge of their employees.
2. However, they have informed that the students were lacking the industry exposure and practical knowledge.
3. They have informed that the students need to focus on communication skills.

FEEDBACK ANALYSIS

(YEAR- 2018-19)

Feedback Analysis (2018-19)

Introduction:- Feedback is a vital element of the learning & improvement process. The feedback collected from each student has been analyzed and taken into consideration for the development of curriculum, teaching/learning process and environment. Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar, Amravati has collected the feedback on various aspects and courses (syllabus) from Alumni, faculty & students for the session 2018-2019.

Feedback Report:-

A) Alumni Feedback:-

We have tried to take feedback from most of the alumni's. A total of 34 students have reported their opinions which we have included in our report. 75% of alumni who have given their feedback are satisfied with the efforts taken by the institute and teachers overall they are happy regarding the curriculum which has played a very important role in enhancing their skills, knowledge and expertise. However, the college is trying harder to provide a better atmosphere for the students. However, it is suggested to build more social awareness regarding the duties and responsibilities as a citizen.

Feedback Analysis students about syllabus

- 1) Difference aspects have been taken into consideration while doing student satisfaction survey and analysis of it with special emphasis on the availability and status of basic facilities infrastructure availability teaching and learning strategies initiative taken to empower students and development of various skills to uplift future development and changes if needed.
- 2) Most of the students of Sant Gadge Baba Amravati University Amravati belong to rural areas and very few students are taking their education from urban colleges so the university curriculum is designed accordingly while designing the curriculum of university the focus was made on the basic concepts regarding the subjects. The majority of the students of our college give us the feedback that the syllabus of their respective subjects is quite relevant and useful for their career.
- 3) The topics such as spoken English, information regarding the stock market and more such topics are the part of the certificate courses designed by the college, in order to upgrade the students' teacher into the competition of the world. Advanced learners are happy with the course content and those who are slow learners benefit from the remedial and tutorials.

C) Feedback of students about Teacher's:-

- 1) 85% students have agreed that the teacher's are well competent and have deep knowledge of the subject. The methods and techniques adopted by the teachers to teach the topics were highly appreciated by the students of the college Though the teachers were on clock hour basis the radiation towards the institute and the students was highly acclaimed.
- 2) Students were happy and praised the role played by the institute. Every year institutes support the students of the college to participate in different University and college level activities such as Youth Festival, sports, Group discussions etc. Almost 85 students accepted the sincere efforts taken by the teachers in order to make their development in their respective fields. However, they have demanded the on boarding of permanent teachers to get more understanding and. of the subject.
