## **Birds Week**

Into the world of Owls: Vinayak Vidnyan Mahavidyalaya kick starts the Birds Week.

Department of Zoology at Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh) recently inaugurated the week-long celebration of Birds Week program .Government of Maharashtra has declared 5<sup>th</sup> to 12<sup>th</sup> November to be celebrated as Birds week to commemorate the Birth anniversary of two great Ornithologist, Dr Maruti Chitampalli, a well-known Bird expert from Maharashtra and Dr Salim Ali, an Ornithologist of a Global fame. It's very relevant to celebrate this week from 5<sup>th</sup> to 12<sup>th</sup> November as this dates are birth anniversary of Dr Maruti Chitampalli and Dr Salim Ali respectively. "Maharashtra Pakshi Mitra Sanghatan" along with many other Non-Governmental Organisation took great efforts to convey the importance and significance of birds' conservation and it was their consistent follow up that resulted in the declaration of the Birds week from 5<sup>th</sup> to 12<sup>th</sup> November. This is first time in Maharashtra that Schools, colleges and many other educational Institutes are celebrating the birds Week. The idea behind this celebration is to convey and spread the message of birds conservation. The avian Diversity in Maharashtra and other regions are under a huge anthropological pressure as states like Maharashtra, Andhra-Pradesh, Telangana, Karnataka and many more are constantly growing industrially while urbanisation is also one of the prime concern of this

states. This growing population creates a huge pressure on habits and habitat of the aves. In recent year Maharashtra alone has witness the huge decline in Great Indian Bustard, a grass land Bird from area in and around Nannaj in the district of solapur, Maharashtra. Its High time we must start to show some consideration to our wild counterparts. Vinayak Vidnyan Mahavidyalaya, being a pioneer institute took the event to a different height and created an opportunity for the students to get aware towards the most covert of all the birds, the owls. There have been many myths and facts associated with this mystical bird, hence it's more appropriate to start an awareness campaign from this bird. Dr Jayant Wadatkar , President of Maharashtra Pakshimitrasanghatan , is an well-known authority on owls study. His extensive work on the habit-habitat of forest owlet makes him an reliable source of first-hand information. The department thus invited Dr Jayant Wadatkar to deliver a talk on this bird. The Birds Week event gave the department an motivation to conduct this talk, which was otherwise in the pipeline .The event was chaired by President of the event Dr Alka Bhise, Principal Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh). She appreciated the initiatives taken by the department in the recent lockdown days to promote educational activity, be it the butterfly competition or a talk on biodiversity conservation. Dr Alka Bhise, added that it's really very sad to see the decreasing number of birds around the city. She expressed that such event could at least could generate a sense of understanding in the young generation so that a new ray of hope can be consider. The chief Guest of the event Shri Ashish Malokar, Range Forest Officer, Social Forestry, Nandgaon (kh) also graced the event, he discussed with participants the importance of ecological setup that is disturbed knowingly or unknowingly. He thanked the members of the organizing committee and convener for organization of this event. The event took place on Zoom meeting Platform and many students from different colleges joined to get enlightened. Dr Pratibha Mahalle, the convener of the event introduce the idea and concepts behind organisation of Birds week. Mr Subodh Bansod hosted the event, while Dr Gajendrasingh Pachlore and Dr SwapnilTinkhede managed the technical aspect of the event.

### **World Wetland Day**

Wetlands are considered as the kidneys of earth. Wetlands are area of fresh water habitat, which could be natural or man-made. In the recent years through many researches it has been found that wetland are not just a peaceful and pleasant site to be viewed , but they are the great place that inhabits diverse organisms from birds to butterflies and from huge trees to aquatic vegetation. Department of zoology at Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar took an initiative to create awareness among the student of B.sc (F.Y/S.Y/ T.Y) towards the greatness and significance of wetland in human life. An Eloquitioncompeteion was organised by department of zoology and Botany. Nearly 37 participants were actively involved in competition. The topic of eloquition were 1) "Wetlands and its Conservation" 2) Importance of wetlands 3) Role of Wetlands in environmental maintenance 4) Wetlands and rural development. Among the participants, Ms Akshadadhandare of B.Sc I was adjudged first while kiranbanarase was adjudged Second winner. The convener of the event Mr Subodh Bansod meticulously planned for the successful organisation of the event. Co Convener Dr SwapnilTinkhede manage the logistics and took efforts for the success of the event.

### 3. Activities

Taking concept of **ECO-FRIENDLY RAKHIS** a step forward, "**GREEN ARMY CLUB**" of Vinayak Science College, Nandgaon (Kh.) organized one day workshop on Making Rakhi from seeds on 8 August 2017. Rakshabandhan has been part of the Indian culture in some way or form, for centuries. Traditionally it's a ceremony observed to celebrate the bond between a brother and a sister. The 'thread' i.e. Rakhi, signifies protection and love between the individuals giving and receiving it. Likewise brother and sister, the environment and human being have the same relationship.

### GREEN GANESHA RAILLY

Every year, Ganesh Chaturthi celebrations culminate in the immersion of Ganesh idols into the sea, rivers, lakes or ponds. As most idols are made from Plaster Paris and toxic, non-biodegradable chemical colours, the immersion ends up causing considerable harm to marine life. In a bid to reduce the environmental damage, Green Army Club of Vinayak Science College, Nandgaon organized GREEN GANESHA RAILLY on 19 August 2017. The rally was inaugurated by the hands of Tahsildar of Nandgaon (kh.) Shri Lonarkarsaheb in presence of Principal of college Dr.W.K.Pokale, BDO, Convener Dr. Khodke, N.S.S. officer Shri Joshi were presented on this occasion.

## **ONE HOUSE: TWO TREES": AMRAVATI GARDEN CLUB'S CAMPAIGN "TREE FESTIVAL"**

Green Army Club in Association with Amravati Garden Club, Amravati is a forty years old social

organization working with an idea of infusing love and interest in plants, educate and train the interested people, create an atmosphere for gardening to keep it greener and healthier. The club has been taking efforts for popularizing various social activities related to the plantation which facilitate pollution free environment. Many socially concerned people are contributing to achieve a goal of Green Surrounding since its inception.

**WORLD EARTH DAY** reen Army club of Vinayak Vidnyan Mahavidyalaya, made it a point to keep the studnets engage and positive during the pandemic situation. The march 21 was declared complete lockdown by Govt. of India and college studnets were confused and depressed over the situation. To keep the moral high and also to keep the studnets busy with the changing scenario Green army decided to conduct a competition to celebrate the World Earth day. Every year on 22<sup>nd</sup> of April , world earth day is celebrated throughout . The idea behind the celebration is to remind the occupants of the earth that we need to take care of our planet before its too late. The green army thus plan to have a unique Slogan competition.

**ECO FRIENDLY HOLI COLOR MAKING WORKSHOP** Green army club of Vinayak Vidnyan Mahavidyalaya ,Nanadgaonkahndeshwar is well known for creating awareness among the people for

environment and conservation .The Members of green army leaves no opportunity to spread the word of conservation and environment protection. The oragnisation of Eco friendly holicolor workshop was one such event which was specially planned by the members of green army club and faculty meebrs of zoology and botany department before the actual day of holi celebration. The holi festivals is festoival of colors, but recently many reports were sited which shows the toxic and harmful nature

of the colors although the colors are very cheap but there hazardous effect on skin , eyes and respiratory system are very harmful.Thus to counter these growing use of chemical and toxic color Green army club cae up with a novel method of preparing holicolors from natural dyes like colors from flowers , leaves and other part of plant.

Department of Botany had organized guest lecture of Dr. Sampada Patharkar, Assistant professor, department of Botany, Rajarshee Shahu science College, Chandur Rly. She has taken a lecture on B.Sc.III Sem V on the topic “*Career Opportunities in Botany*” on 25 Nov 2022. In her lecture she gave detail information about the career opportunities in the field of Botany. She also guided the students about the personality development. Mr. Shilanand hiwarale felicitate the gauge speaker Dr. Sampada Patharkar, Ku. Akshada Dhandare given the introduction of guest speaker. Anchoring and vote of thanks of the program has been carried out by Mr. Nikhil Praghane.

## 5) Wetland Day

Wetlands are the areas where the soil is covered with water or can be present near the ground throughout the year. It supports various terrestrial and aquatic species. On this occasion, students from the B.Sc. I,II and III year (40) visited to Lake(wetland) at Sawner Tq-Nandgaon Kh on 2<sup>nd</sup> Feb 2023 and observed various plants like, Algae, Bryophytes and different hydrophytes etc. During this wetland visit Mr. Subodh Bansod gave the guidance to the student about the different birds. This visit become successful in presence of Dr.Suchita Khodke, Dr.Pratibha Mahalle, Dr.Gajendrasing Pachlore, Dr.Swapnil Tinkhede, Mr Subodh Bansod.

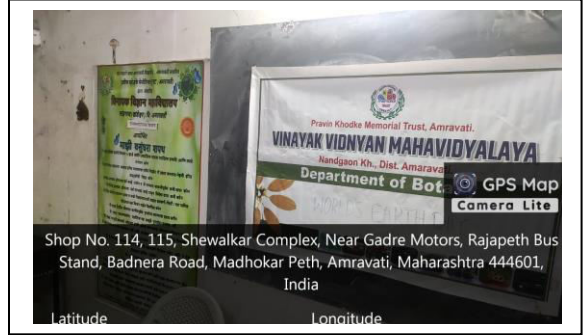

## 6) Science Exhibition

National Science Day is celebrated in India on February 28 each year to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman on 28 February 1928. On this occasion of National Science day, science exhibition was organised for the science students on 28th February 2023 By department of Botany to aware the students of science about the research, innovations, discoveries of different scientists of life sciences. The competition was taken in Yogini Hall, different models and posters were presented by 12 students. This exhibition was open for all the students, number of students from other college and schools from Nandgaon were visited and enjoyed. All the participated students were falicited by certificate of excellence.

Mother earth nurtures millions, trillions of organisms by providing diverse environmental conditions. Due to changes made by the humans it need to protect and conserve. To aware the students, department of Botany had taken this opportunity to take Green oth on the occasion of celebration of Worlds Earth day on 21 April 2023. This program was conducted one day before because of holyday on 22 April 2023 Dr.Pratibha Mahalle was the president of this program and with her due permission the green oth had been taken by the students and the teachers present for the program. Dr. Suchita Khodke HOD, Botany, guided the students about the awareness, the green oth was read by dr. Swapnil Tinkhede and anchoring and Vote of thanks was performed by Mr. Shilanand Hiwarale.

## WORKSHOP ON MATHEMATICS READING AND WRITING

*DATE: 25/08/2022*

*DEPARTMENT OF  
MATHEMATICS  
& MATHEMATICS SOCIETY*

## **Report :**

*The **Department of Mathematics** of Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh. has been continuously working on the cognitive development of the students. One of the goals of the department is to develop the ability of students to read and write the mathematics properly. As many times one comes across the books of mathematics, it has its own language of representing the terms in symbolic manner which are universal and accepted everywhere. So, to acquire the ability to read and write mathematics in proper manner, we have organized a one-day workshop on “**Mathematics Reading and Writing**” on dated 25/08/2022.*

*Also, **Mathematics Society** aims to develop skills in the students like communication skill, stage appearance, body language, organization of events related to mathematics and overall development of the students. In accordance with that we are running a program “**For the Students By the Students**”. This program comes under the participative learning of Teaching-Learning Processes. In this program the students of mathematics society and final year students organizes the program on their own. It is glad to see that the students have organized the program very well and also students of final year have delivered two lectures of the workshop. There were 30 students of the first year along with 19 students of higher classes get benefited by this workshop. Department is thankful to the principal Dr. Alka Bhise who has given us the permission to conduct the workshop. Also, thankful for her presence and guidance given to students regarding the workshop.*

### एक दिवसीय कार्यशाळेचे आयोजन

दि. २५ ऑगस्ट २०२२ रोजी गणित विभाग, विनायक विज्ञान

**प्रतिप रघुते येनस**

महाविद्यालय नांदगाव  
खंडे वर द्वारे एक दिवसीय  
मॅथेमॅटिक्स रीडिंग अँड रायटिंग या  
विषयावर कार्यशाळेचे आयोजन  
करण्यात आले. गणित हा विषय फक्त  
सुट्टे, आकडे, प्रमेय यांनी व्यापलेला  
आहे. त्यामुळे गणित मध्ये विनंदांना  
जास्त महत्त्व आहे. तेंव्हा  
विनंदांशिवाय गणित वाचणे अशक्य  
आहे. गणित शिकत असताना गणित  
जर वाचता आले तर ते लवकर समजते.  
यांच्यातील संबंध लवकर समजते.  
विद्यार्थ्यांना गणिताची बाराखडी  
पूर्वपणे ओळख घ्यावी याकरीता या  
कार्यशाळेचे आयोजन करण्यात आले

होते. या कार्यशाळेच्या उद्घाटनाला  
अध्यक्ष म्हणून महाविद्यालयाच्या  
प्राचार्य मा. डॉ. अलका भिसे मॅग या  
उपस्थित होत्या.  
या कार्यशाळेत विद्यार्थ्यांना  
गणितातील विज्ञान स्नातक या वर्गा  
करिता लागणारे सगळे विनंदा, प्रतीके  
व समीकने यांची माहिती देण्यात  
आली. या कार्यशाळेच्या प्रथम सत्रात  
विज्ञान स्नातक भाग - ३ ची  
विद्यार्थिनी कु. दामिनी घागे हिने वरील  
माहिती प्रस्तुत केली. दुसऱ्या सत्रात कु.  
आदिबा खान हिने प्रतीकांचा वापर  
करून गणिताची वाक्ये तयार करायला  
शिकविली. त्यामुळे विद्यार्थ्यांना  
गणित शिकणे सुकर होईल.  
विद्यार्थ्यांनी आपल्या  
अभिप्राया मध्ये नमूद केले कि त्यांना  
या कार्यशाळेमुळे नवनीन प्रतीकांची

ओळख झाली व गणित वाचता येत  
असल्यामुळे ते सोडवता येत  
असल्याचे समाधान या कार्यशाळेमुळे  
वाटले. या कार्यशाळेला  
महाविद्यालयातील गणित विभागाचे डॉ.  
प्रीती देशमुख व डॉ. अभिजित बनसोड  
यांनी मार्गदर्शन केले. या कार्यशाळेला  
एकूण ४८ विद्यार्थ्यांनी सहभाग  
नोंदविला. या कार्यशाळेच्या

आयोजन व यशस्वीतेकरिता  
महाविद्यालयाच्या प्राचार्य डॉ. अलका  
भिसे व आय. व्ही. ए. सी. समन्वयक डॉ.  
सुविता खोडके यांनी खूप शुभेच्छा  
दिल्या. या या कार्यशाळेच्या आयोजन  
व यशस्वीतेकरिता गणित विभागातील  
विद्यार्थी व प्राध्यापकांनी अथक  
परिश्रम घेतले.

Report of Educational Tour

**Title: Educational Tour at Raman Science Centre, Nagpur**  
**Date: 24<sup>th</sup> November 2022**

Educational tour objectives, students need to apply skills, values and general knowledge in new settings. It is a great and actual way to learn specific subjects beyond textbooks and lectures. Study tours can be a great way to learn new things about different cultures and be aware of certain differences between them, as well as similarities. It makes students see certain issues in a new perception and some study tours can allow students to immerse themselves in a different community. In return, they are exposed to cultures and different socio-economic statuses which help them build consideration and better thoughtful for these cultures. Educational Tour offers the perfect informal setup for discussion, dialogues and experiences which helps in developing various life-skills, such as team building, time management etc. to enhance one's reach and impact in society.

Science is a part of our routine life and is universal. There is a necessity to have clear vision and determination to pursue it and Raman Science Centre is a place which helps students in giving that vision and determination. This tour not only enhanced their quality to know more in depth, but also provide proper guidance to sightsee more and come up with new ideas.

At this science center students observed Spiral musical pipe and understood its functioning. They also observed Size-weight illusion, Kinetic sculpture, Pendulum wave, Invisible chair, Colour filters, Color perception principle, Hyperbolic, Simple camera, Taller and easier balance, Mobius band, illusion mechanism, Pattern recognition. Students also collected an information of Scientists and their Inventions. Students enjoyed the experiments placed in 3D show of Apollo and Planetarium the story "The Sun". Students also experienced learning and understood that science is really fun and full of knowledge.
