Subject: Women empowerment and gender equality.

'Taradut' Poonam S. Jakhotiya (9673548036)

Sneha R. Ganvir (9373762747)

Women's empowerment in India is heavily dependent on many different variables that include geographical location (urban/rural), educational status, social status (caste and class), and age. Policies on women's empowerment exist at the national, state, and local (Panchayat) levels in many sectors, including health, education, economic opportunities, gender-based violence, and political participation. However, there are significant gaps between policy advancements and actual practice at the community level.

One key factor for the gap in implementation of laws and policies to address discrimination, economic disadvantages, and violence against women at the community level is the largely patriarchal structure that governs the community and households in much of India. As such, women and girls have restricted mobility, access to education, access to health facilities, and lower decision-making power, and experience higher rates of violence. Political participation is also hindered at the Panchayat (local governing bodies) level and at the state and national levels, despite existing reservations for women.

State government takes good initiative along with the NGOs and local HEI to sensitize and empower the women. Various programs and talks are arranged.

Grievance cell of Vinayak Vidnyan Mahavidyalaya, Nandgaon (Kh), organized the talk on women's empowerment and gender equality on 15 January 2020. There was 'Taradut' Poonam S. Jakhotiya, Chhatrapati Shahu Maharaj Sanshodhan va Prashikshan Manav Vikas Sanstha (SARATHI) Pune as spoke person. Sneha R. Ganvir was assist her.

Dr. Alka A. Bhise, principal of Vinayak Vidnyan Mahavidyalaya, Nandgaon (Kh) was the president of program. Dr. Suchita khodke, IQAC coordinator, HOD of Botany was the guest. Dr. Pratibha S. Mahalle, Grievance cell Incharge takes initiative for program and Dr. Preeti Deshmukh Dept. of Mathematics anchored the program. So many students from the science and commerce stream was attend the program. Mr. Subodh N. Bansod, Dr. Vinod Sherekar gives valuable support for successful of the program.
