Report of Basic Gardening Techniques

A three days online workshop was organized by Amravati Gardn club, Amravati in collaboration with Vinayak Vidnyan mahavidyalaya, Nandgaon kh., shri shivaji science college Amt, shri shivaji horticulture college Amt , G.S. tompe college Chandurbazar, Rajarshri shahu science college, Chandur Railway and Kiran nursery, Amt from 29th to 31st May 2020 at 5- to 6.30 pm. The main objective of the workshop was to provide basic knowledge of gardening to plant lovers. Because there were lot of complaints from the people that the plants which they bought from nursery were fresh and healthy. But after they brought them home they look dull and less healthy. So they didn't understand what were the reasons behind it.

Keeping this problem of the garden lovers in mind, this workshop was arranged to share the effective gardening techniques by the experts. about how to prepare soil for different plants and potting and repotting of the plants. The workshop was inaugurated by the hands of Dr. Dinesh Khedkar president of the club. In the first session of this workshop, Dr. Suchita Khodke Head department of Botany, Vinayak Vidnyan Mahavidyalaya, Nandgaon kh. was the resource person and she delivered the techniques gardening through power point presentation. In her presentation she thoroughly described the different soil types and their suitability according to the type of plants. She also gave guidance how to prepare soil mixture. After her presentation the practical session was done at Kiran Nursery where Mr. Subhash Bhave gave the live demonstration of the soil types, potting media etc.

On the second day, Shri Nilesh Phutane, gave detailed information about how plants be potted in a pot and their repotting techniques. In the second part Dr. Sheetal Chitode gave practical session of potting and re-potting techniques. All the participants were eagerly waiting for the third day in which Dr. Pachlore and Dr. Gulahane shared information on Kitchen Gardening.

After the discussion the workshop was ended by vote of thanks proposed by Dr. Rekha Maggirwar, secretary amravati garden club. The technical assistant support was given by Dr. Umesh Kanharkar and Dr. Mayur Gawande.
