Organized

Workshop On Making Seed Balls

Date : 5th June

Connecting People to Nature

REPORT OF SEEDBALL PREPARATION

Department of Botany, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar had organized One day workshop under the title of Seedball Preparation for the senior college students of botany. Workshop was announced on 1 Jun 2018. Notice for the programme was displayed on the notice board of college.

Seeds are the important creature of the nature which grows into herbs, shrubs, trees, climbers etc. which maintains the balance of nature. Maximum seed unable to germinate because of low or no contact with soil. To overcome this problem we have taken the initiative to make seedballs (Seeds kept embedded in mixture of soil and organic fertilizer).

The workshop was inaugurated by the hands of guest speaker Dr.Suchita Khodke, Vinayak Vidnyan Mahavidyalaya, Nandgaon kh. Anchoring and introduction of the workshop has been done by Mr. Anand Deshmukh. Dr.Suchita Khodke in her lecture has given the detail information about the seed and its germination and germination failure. In the practical session she has given demonstration of seedball preparation. In the demonstration she taught the students how the mixture of soil and organic fertilizer can be made and how seed inserted in the mixture and prepared the seedball of different seeds of the plants. After demonstration session students made the numbers of seedballs of different seeds

Prepared seedballs were kept for drying under observation. During favorable condition in the winter season the prepared seedball will sow in soil. After question, answering and discussion, vote of thanks the workshop was concluded by due permission.
