A workshop on "Mathematical Typing and Power Point Presentation in Microsoft Office" was organized on 25th April 2023 by the Department of Mathematics, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar. Mathematics is a subject covered only with formulas, figures, theorems. Presentation is important along with knowledge. In today's era, every subject needs to be connected with technology. It is always the aim of the college that the students always work smart. Also, according to the university curriculum, the students of Bachelor of Science Part 2 and 3 need mathematical typing for seminars and projects. Also, for various competitions conducted by other colleges, they must have knowledge of mathematical typing and power point presentation. Accordingly, this workshop was organized at Bright Computers, Nandgaon, Khandeshwar, in order to provide proper guidance to students in rural areas on the subject of mathematical typing. In this workshop, the students were given information about all the signs, symbols and equations required for the Bachelor of Science in Mathematics class. After that they were given knowledge of typing and practiced. Also, the importance of various aspects needed to make your presentation well was explained through power point presentation and practice was done in this regard. At the end of the course a mock test was conducted for the students in which all the students tried their best to type the equations correctly and all the students passed the mock test.

Students in their feedback mentioned that the workshop gave them the satisfaction of learning something new. This workshop was guided by Mr. Vrushabh Madavi, Ms. Vaishnavi Parasankar , Alumni of Department of Mathematics.
