Brief about Guidance Cell

Many young aspirants prepare for various competitive examination in pursuit of better life however the directionless efforts generates in-vain results. In recent years many coaching institutes and guidance centres have started but high fee structure and lack of other facilities have made it more difficult for the students residing away from the city to join them. The rural students must have a fair opportunity to participate in such competitive examinations.

Keeping this in mind and following the notification issued by Joint Director of Higher Education Amravati Division, Amravati the institute has taken an initiative and formed Competitive Examination Guidance cell. The Guidance cell will be engaged in following activities.

- Creating Awareness among the students towards all State Public Service Examination (MPSC/ all PSC), Union Public Service Examination and all other competitive examinations.
- Providing students detail information about various competitive examinations especially syllabus, eligibility criteria and mode of exam (M.C.Q Based or Descriptive)
- Promoting students to take examination for state administrative coaching centre exam
