ii) Library Software

e-Granthalaya Software/application:

Library automation using Integrated Library Management System (ILMS):

The Library provides e-learning environment to interested readers. They are used in actual teaching. The library is automated using ILMS software named 'E-GRANTHALAYA' with full version of 3.0 with all modules like acquisition, circulation, books issue and return process etc. Separate webpage is created on the college website in word press format to update the happenings and new arrivals of the library regularly. The separate library user number is issued to all the students and faculty members for issuing text books, reference books and journals. Separate computer is provided to the library users for searching the books on Online Public Access Catalogue (OPAC) in the library. OPAC is also available on library website. User can access OPAC on his own desktop/smart phone.

The separate library portal is created on the website for the students, it contents digital repository of syllabus, previous year question paper set, e-thesis, online open access resources, competitive exam resources, online newspaper clippings etc. The library is having active membership of SGBAU Library Consortia it gives access of INFLIBNET N-LIST consortia, Science-Direct, ELESVER, and provides 7000+ e-journals and 7000+ e-books of various subjects. This is user ID and Password based facility for all faculty members with students.
