## **4.1.1 The institution has adequate infrastructure and physical facilities for teaching - learning viz. classrooms, laboratories computing equipment, ICT facilities, cultural activities, Gymnasium etc.**

The term “college infrastructure” refers to things like buildings, playgrounds, libraries, laboratories, and other facilities. Infrastructure contributes to a positive learning environment for the students. The classrooms, playgrounds, libraries, toilets, drinking water facility; Science Lab etc. are the most important aspect of college infrastructure. We have adequate infrastructural facilities and amenities in the campus. The institute is spread over 5.44 acres of land with built up area of 25738 sq ft. The institution has good infrastructural and physical facilities ie Classrooms- 7, laboratories-5, seminar hall-1, computer laboratory-1 are well constructed as per the UGC norms. We have three ICT class rooms, library, play- ground, gymnasium. A power back-up system is installed on the campus The library is rich enough with spacious reading room, reference section, students’ access center. The library remains open from 10.00 a.m. to 5.30 p.m. The library poses 2710 books, 255-reference, 3 dictionary and encyclopedias. Reputed journal of various subject was subscribed annually. There is E-granthalaya software for library automation. We have subscribed to our university consortium of E- books and E-journal by paying annual subscription where we get access to 7000+ books and 7000+journals of SGBAU. In institute other facilities are also available - Vinayak students consumer store in which uniform, stationary material is available for the students in reasonable rates.

The institute has installed CCTV cameras for safety and monitoring purpose. The institute has provided special ramps for easy movement of differently-abled students. Our college is the only one college that provides higher education in the stream of science and commerce faculty. So, our aim is to provide quality education to our students. College provides the facilities such as classrooms with ICT facilities, well-equipped laboratories, medical facility. There is an open stage to facilitate and encourage cultural activities. There are sufficient numbers of computers in lab. Various Sports Activities are organized in the big playground with 400 meter running track. From District Sports office of Amravati

## Vinayak Vidnyan Mahavidyalaya Nandgaon Kh.

(Government of Maharashtra) we have received Gym equipment's worth of Rs. 700000 and it is available for the students and teachers at free of cost in college hours. We allowed the used of our infrastructure for various local, social NGO such as blood donation camp, awareness program any other program which is asked by Government agency arrange for social cause. We allow an NGO that works for help of aspiring MSPC candidates to use our infrastructure free of charges after college hours. In the open area of our college campus, we have established a regular compost making unit which is utilized in the garden. We provide furniture (desk and bench) to the nearby college for the conduction of university examination. We have water cooler with filter to provide facility of pure drinking water for the students.

There are separate boys' and girls' common rooms of 139.75 sq. feet. There is continuous supply of purified drinking water.
