This one day workshop was organized for the B.Sc. 1<sup>st</sup> year students. The aim of the workshop was to create awareness of the Zoology subject and its practical tools and techniques. In this workshop students were made aware of the use and handling of equipments in zoology laboratory. Mr. Subodh Bansod, Asst. Prof. Department of zoology guided to the students. In this workshop students learnt the use and care of Microscope, Pipettes, Burette, Test tube, conical flask, Beaker, Watch Glass, and Slides.

He also gave the information on future importance and opportunities. Dr. Swapnil Tinkhede, Asst. Prof. Dept of zoology gave the information on Ethics and Morals related to behavior in the laboratory.

Participant students individually performed the basics handling of the instruments. They also observed various types of specimen slides, preserved animal specimen and understood the importance of handling the laboratory equipment.

A large number of students were present at this time. At the end of the program, Dr. Swapnil Tinkhede thanked all. For the success of the program Dr. Pratibha Mahalle, Dr. Gajendrasingh Pachlore, Mr. Subodh Bansod and Dr. Swapnil Tinkhede took efforts.

### Inauguration Ceremony

On 9<sup>th</sup> August 2023, the Department of Chemistry of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar had organized a one-day workshop on "Laboratory Based Induction Training" for the students of **B.Sc. Part I Semester I (2023-24)**. The workshop was chaired by respected Dr. Suchita P. Khodke, IQAC Coordinator and Head Department of Botany, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar. The workshop was inaugurated by the hands of Dr. Suchita P. Khodke.

The prologue behind the organization of this workshop was explained by Mr. Nilesh S. Padole, Head department of Chemistry. During the introductory address, he explained the aims and objectives behind the conduction of this workshop which are

- To aware the newly admitted students about the safety in chemistry laboratory.
- To aware the students towards the use of Glassware and Chemicals in the laboratory.
- To minimize the accident during the practical hours in the laboratory.

Dr. Suchita P. Khodke in her presidential note, explained the importance of chemicals knowledge and its proper and safe handling while working in chemistry laboratory. She also congratulated department of chemistry for the arrangement and conduction of this student centric workshop.

**Glimpses of Inaugural Ceremony of one day workshop on "Laboratory Based Induction Training"**

The workshop was conducted in two sessions

## I. Basic Introduction and Handling of Glassware in Chemistry Laboratory

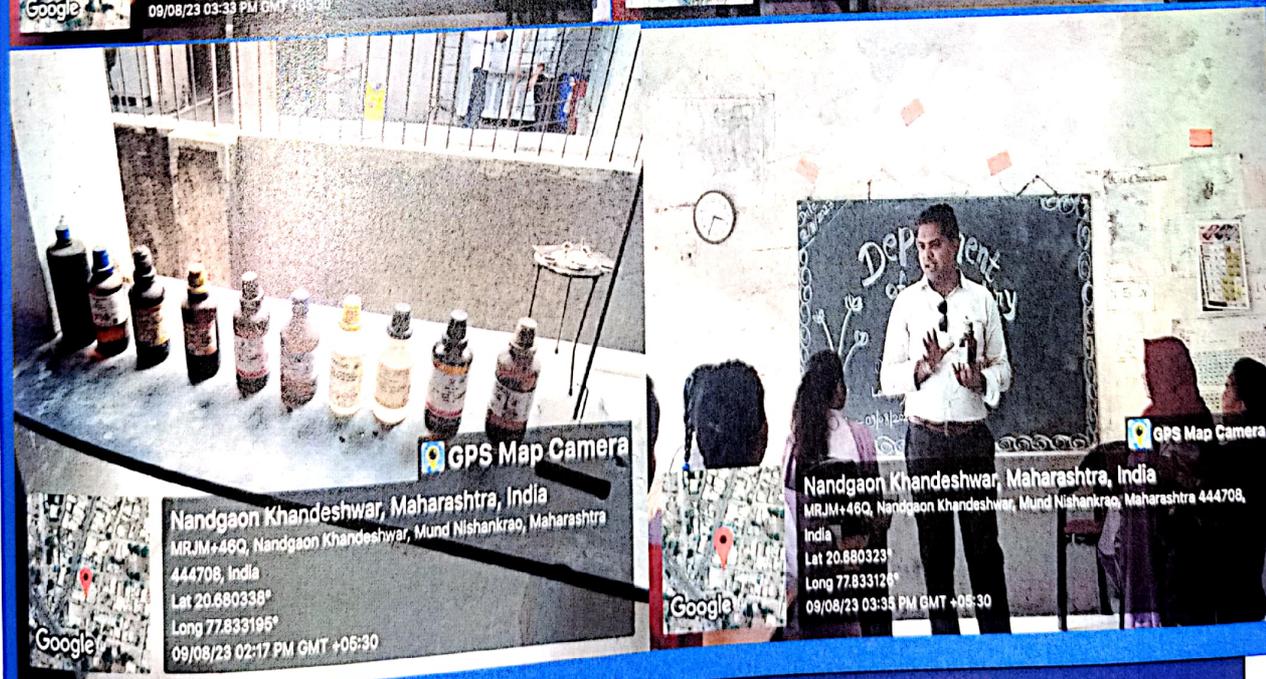

In the first session of the workshop, Dr. Kavita P. Kakade gave information to the students about the different glassware used in the chemistry laboratory and demonstrated how to handle the glassware with proper care to avoid any mishap. After the session students had interacted and raised the questions which were answered by the guest speaker.

**Interactive Session on Glassware handling and Safety by  
Dr. Kavita P. Kakade during the workshop.**

## II. Basic Introduction of Chemicals used in Chemistry Laboratory

In the second session of the workshop, Mr. Nilesh S. Padole had given information about the different chemicals used in the chemistry laboratory and explained the safety precautions while handling them in chemistry laboratory. He specially explained the handling and safety of the liquid chemicals like acid and highly inflammable liquids. He also explained about some procedure should be followed if any mishap happened in the laboratory during practical work.

**Interactive Session on Chemical handling and Safety by Mr. Nilesh S. Padole during the workshop.**

Ms. Nandini Marotkar student of B.Sc. Part I had expressed vote of thank towards every person involved in arrangement, conduction, and execution for to made this workshop successful. The workshop was anchored by Ms. Atiba Noor Shafi Sheikh.

**Subject: Seeking Permission for conducting one day workshop on "Joint Admission Test for Masters (JAM) in Chemistry".**

Respected Madam,

Joint Admission Test for Masters (JAM) in Chemistry is one of the qualifying examinations for B.Sc. final year appearing students to admit in the Post Graduate Degree in selected IIT's of India. This examination will be conducted by various Indian Institutes of Technologies of India. This time "Indian Institute of Technology, Guwahati is going to conduct the examination on 11<sup>th</sup> February 2024.

With reference to above mentioned subject, Department of Chemistry is willing to conduct one day workshop on "Joint Admission Test for Masters (JAM) in Chemistry" for the students of B.Sc. Part III with subject Chemistry "on 20<sup>th</sup> September 2023 at 3 PM. This workshop will be helpful for the students to prepare for the upcoming examination.

So, requesting you to grant us the permission for conducting the one-day workshop for the students of B.Sc. Part III with subject chemistry.

In every year various IIT's of India conducted “Joint Admission Test for the Masters in Chemistry”. This examination provides opportunity for the B.Sc. appeared students to admit for the Post Graduation courses in selected IIT's and NITs of India. To aware the students about the opportunity, online process, syllabus and number of seats available, department of Chemistry had organized this one-day workshop.

### **Inauguration Ceremony on 20<sup>th</sup> September 2023**

On 20<sup>th</sup> September 2023, the department of Chemistry had organized a one-day workshop on “Joint Admission test for Master's in Chemistry” (JAM) for all students of B.Sc. From 3PM onwards. The workshop was chaired by respected Dr. Alka A. Bhise Principal, Vinayak Vidnyan Mahavidyalaya Nandgaon Khandeshwar. Guest of Honor for the programme was Dr. Suchita P. Khodke, IQAC Coordinator and Head Department of Botany. Dr. Prashant B. Kharat was present as chief guest for the workshop. The resource

person for the workshop was **Dr. Vinod M. Sherekar**, Assistant Professor, Department of Chemistry, Vinayak Vidyan Mahavidyalaya, Nandgaon Khandeshwar.

The programme was started by enlighten the lamp and performed the Indian rituals followed by welcome of all the guest by offering saplings.

**Inaugural Ceremony of One Day Workshop**

**Mr. Nilesh S. Padole**, Head Department of Chemistry, had explained the objectives behind the conduction and organization of this workshop to the students. Later, chief guest of the workshop, **Dr. Prashant Kharat**, addressed the students and explain the opportunities which are present based on JAM examination. He congratulated the chemistry department for the organization of this workshop.

**Mr. Nilesh S. Padole explained the objective behind this workshop**

**Dr. Prashant Kharat, addressed the students during workshop.**

## **Workshop Session**

After the inaugural ceremony, **Dr. Vinod M. Sherekar**, Assistant Professor, Department of Chemistry had started the session of workshop on **“Joint Admission test for Master’s in Chemistry.”** During the workshop session, he had explained the importance of JAM Entrance examination in the higher education in the subject chemistry through power point presentation.

During the session he had explained the important details regarding the JAM examination in chemistry like

- i) **Date of online form**
- ii) **Process of online form filling**
- iii) **Format of examination**
- iv) **Syllabus of the examination**

v) Fee's structure

vi) Important documents required for filling the form

vii) Examination centres for examination.

During the session, had detailed discussion on syllabus of Chemistry and explain the importance of regular B.Sc. curriculum for the examination also.

**Glimpse of One Day Workshop ON JAM Examination organized by Department of Chemistry for the the students of B.Sc.**

**Dr. Vinod M. Sherekar**, had announced that by keeping the view of incoming examination in the subject chemistry in **13rd February 2023**, department of Chemistry is going to start the "**JAM**" classes for the **B.Sc. Part III** students from **25<sup>th</sup> September 2023** as well as also going to start JAM Entrance application drive.

After the completion of session of workshop, students had asked the queries and difficulties regarding the topic which was generously answered by the **Dr. Vinod M. Sherekar**. Students had shown great attachment towards the workshop. Students of B.Sc. had shown the commitment to attend the JAM classes.

The workshop was anchored by **Ms. Yogini Mate** and vote of thank given by **Mr. Prince Nandgawali**. For the successful organization and conduction of this workshop, Office bearer of Chemical Society, **Mr. Nilesh S. Padole and Dr. Kavita Kakade** had taken the efforts.

A workshop on "Mathematical Typing and Power Point Presentation in Microsoft Office" was organized on 15<sup>th</sup> April 2024 by the Department of Mathematics, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar. Mathematics is a subject covered only with formulas, figures, theorems. Presentation is important along with knowledge. In today's era, every subject needs to be connected with technology. It is always the aim of the college that the students always work smart. Also, according to the university curriculum, the students of Bachelor of Science Part 2 and 3 need mathematical typing for seminars and projects. Also, for various competitions conducted by other colleges, they must have knowledge of mathematical typing and power point presentation. Accordingly, this workshop was organized at Bright Computers, Nandgaon, Khandeshwar, in order to provide proper guidance to students in rural areas on the subject of mathematical typing. In this workshop, the students were given information about all the signs, symbols and equations required for the Bachelor of Science in Mathematics class. After that they were given knowledge of typing and practiced. Also, the importance of various aspects needed to make your presentation well was explained through power point presentation and practice was done in this regard. At the end of the course a mock test was conducted for the students in which all the students tried their best to type the equations correctly and all the students passed the mock test.

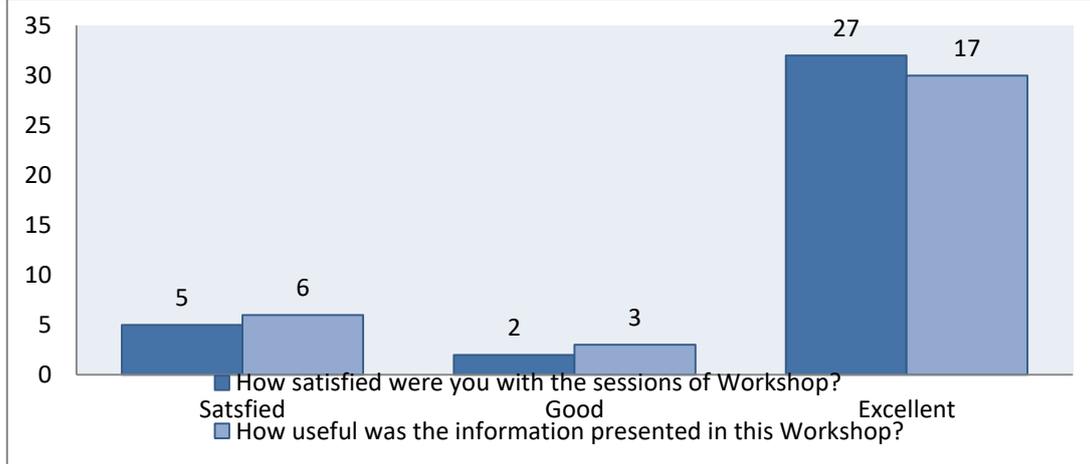

Students in their feedback mentioned that the workshop gave them the satisfaction of learning something new. This workshop was guided by Mr. Vrushabh Madavi, Ms. Vaishnavi Parasankar , Alumni of Department of Mathematics. Also workshop was directed by Dr. Preeti Deshmukh and Dr. Abhijit Bansod of the Department of Mathematics in the college. A total of 44 students participated in this workshop. The certificates were distributed by the hands of IQAC Coordinator Dr. Suchita Khodke and Mr. Shailesh Ikhari, Director, Bright Computer, Nandgaon Kh. Dr. Alka Bhise Principal and Dr. Suchita Khodke IQAC Coordinator wished for the success of this workshop.
