1 | Workshop on Tomorrow's Entrepreneur

Vinayak Vidnyan Mahavidyalaya, Nandgaon
Khandeshwar Women's Cell organized Entrepreneur Day was
celebrated on 21st August 2023 in association with Student
Welfare Department.

The importance of this day is to make students aware of
what self employment is and how it can be achieved.

Honorable Nisha Sonare was invited by both cells as the
keynote speaker virtually on the occasion of this day.

The program was attended by Dr. Suchita Khodke, IQAC
Coordinator of the college as President and Dr. Pratibha Mahale,
Head of Department of Zoology as Chief Guest.

First of all, the program was started by worshipping the
image and lighting the lamp.

Mr. Nilesh Padole, Student Development Officer
explained the importance of Entrepreneurship Day in his
introduction.

While telling the introduction letter of Nisha Sonare to the
students, the various awards won by her were mainly written
and the students were also shown a video in that regard.

Nisha Sonare guided the students on how to start a
business. She gave examples from her own life and guided the
students on how to overcome the difficulties and start self-
employment and grow it well. She said that hardwork is the key
of success.

- Services Provided in the camp: Sickle cell

Context:

Health is an important factor that contributes to human wellbeing and economic growth. The Sickle Cell Disease Awareness and Screening Camp was organized under the Women Cell. Camp was organised by the aim of raising awareness about Sickle Cell Disease and providing free screening services to the students and staff. The event aimed to educate people about sickle cell disease and its symptoms, management, and the importance of early detection.

Also in past few years, there has been a large increase in the number of sickle cell anaemia patients in Maharashtra. Keeping this context in mind, this camp was organized. Medical team was headed by Medical Officer Dr. Nikita Deulkar. For this camp, the support of Sickle Cell Screening Team at Primary Health Center Mangrul Chawla was received.

In the presidential speech, Dr. Alka Bhise guided the students about health and informed about sickle cell disease.

Addressing the students, Dr. Suchita Khodke said that this disease is a disease that is transmitted from parents i.e. genetically. The central government has announced a strategy for the eradication of sickle cell in the budget of 2023 and the target has been set to eradicate this disease from the country by 2047. Therefore, she congratulated all the students that they happily participated in this camp.

A total of 185 students, staff members were examined for sickle cell in this camp. The result of this camp is that no sickle cell disease patient was found in the examination.

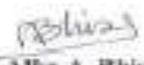

The medical team present for this camp was assisted by Ms. Jyoti Davre, Mr. Vishmupant Raut, Mr. Keshav Ade, Ms. Pooja Wankhade, Mr. Rishikesh Phulkar, Mr. Sushil Katke, Ms. Ganga Khadse, Ms. Chitra Suryavanshi, Ms. Triveni Sonone.

This camp was attended by 185 students and staff who benefited by the service provided in the areas of health. Each patient was thoroughly assessed and guided on lifestyle modification, physical exercises, postures etc. Group and Individual health education sessions were conducted. All the services were provided free of cost to the patients.

Out comes:

1. To create sickle cell awareness among the students.
2. To eliminate the misconception about the sickle cell patients.
3. Not a single patient was suspected in this camp.
4. Succeeded to imbibe sense of social responsibility among our students.
