Environment Awareness and Green Ganesha Drive

In Maharashtra every year the Genesh utsaw is celebrated with great zeal and enthusiasm. This festival is celebrated since from independence but that time the way to celebrate is very simple in which the people gathered at one place where they share the thoughts of each other and plan for next step with great belief and trust on almighty.

But now a days this celebration is crowned with lush of decoration in which use of plastic is on peak, also the idol of Ganesh made from the plaster of Paris which after immersion in water bodies create the water pollution. The other material which are used in puja like flower, fruits and other things have thrown in water bodies after decomposition of these material. The oxygen level was reduced and water body got contaminated. So to avoid this the awareness program was organized by the NSS unit of Vinayak Vidnyan Mahavidyalaya from 19th September 2023 to 28th September 2023.

During the awareness week, the NSS volunteers took an active participation and visit to every home and Ganesh Mandal and ask them to collect all the Nirmalya and gave it to the volunteers so that it can convert into manure. The list of the students who participated in the awareness drive were as follows.
