### “Swachhand”

“We wrote, we sang, we acted, and we poured ourselves out on every side. There was tremendous excitement and cultural richness.” – Rabindranath Tagore

Art is the expression of ideas and emotions through a physical medium like painting, drawing, dancing, writing, photography, or theatre. It would not be an exaggeration to say that art and India have always been synonymous.

In alignment with this philosophy, our college initiated the “Swachhand” activity for our students. This platform is designed to nurture students' hobbies and provide ample opportunities to develop their interests. As part of this initiative, we conducted training sessions in various art forms such as Stone Painting, Rangoli, Dancing, Singing, Gardening, Mandala Art, and Plantation.

The “Swachhand” committee organized these activities outside of regular teaching hours. This platform also offers the opportunity of entrepreneurship to students. Additionally, interested teaching staff members participated as coaches for these activities.

The prepared materials, such as painted stones, were gifted to guests, including the Principal, IQAC Coordinator, and all heads of departments during their visits. These painted stones were also used as paperweights.

Coordinator-Dr Pratibha Mahalle, Head, Department of Zoology

Convener- Head Department of Chemistry

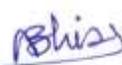

Objective : To cultivate the art of the students.

Swachhand-0.1 is being implemented in the college to give scope to the talents of the students. Swachhand is an initiative of the college for students in rural areas who do not have any means to cultivate their art. In this, special emphasis is placed on various aspects such as stone painting, drawing, gardening, rangoli, games, singing. Day by day the interest of children is increasing as they are getting their own art gallery in the college premises. It is conducted weekly on Friday and Saturday. College teachers whose interest should be present here are appointed as teachers of these various talents. This program will be inaugurated on 4th August 2023. Dr. Suchita Khodke IQAC Coordinator was present as the President of this program. Dr. Prafulkumar Tayde, Department Head, Department of Commerce, was the chief guest. In this programs, each expert teacher presented his/her role behind the art and urged the students to imbibe these skills freely.
