## Name of the activity: 5) Swachhata Nirmarlya Abhiyan.

As day by day the problem of water pollution is increasing due to improper habits of human beings. One of the major activities of human being which cause water pollution is Ganapati Idol immersion in water bodies. This leads to major damage to river, lake, and pond.

To highlight this issue in the society, NSS unit of the college had organized **“Swachhata Nirmarlya Abhiyan”** on **20<sup>th</sup> September 2021** in river Bembla at village Pohra. On the day of Ganesh Visarjan, NSS volunteers reached at river side and collected all dried sewers and waste thrown by the people. Students also urges not to throw the garbage and waste in the river. During the abhiyan, local people also helped to clean the river.

As India has been gravely struck by the second wave of COVID-19 caused by SARS-CoV-2 and is predicted to be hit by the third wave in the next few months, it is challenging for the government of India to implement a mass vaccination drive while mitigating the subsequent COVID-19 wave. By keeping this view, NSS unit of the college in collaboration with **PHC team of Nandgaon Khandeshwar** had organized one day vaccination camp on **22<sup>nd</sup> October 2021** in the college campus for the students of college and civilians of the city from **10AM to 4PM**.

Total **32 people** had been vaccinated during the drive. NSS unit, NCC unit and Department of Physical Director had taken efforts to made this camp successful.

## Name of the activity: 9) Eco-friendly Holi Colors.

Green Army Club paved the way for celebrating Holi in ecofriendly manner by organizing state level workshop on **“Making of Eco-friendly Holi Colors”** on **9<sup>th</sup> March 2022**. This workshop was conducted by **Dr. Suchita Khodke**, Coordinator, Green Army Club. During the workshop she gave the demonstration of making of ecofriendly colors by using Starch powder by mixing with Rose Petals, Hibiscus Petals and Palash flowers. During the session she also explained the benefit of the ecofriendly colors over synthetic colors. The participants had joined the workshop across the Maharashtra. All members had worked very hard to make this workshop successful. Some of the students had prepared the colors practically during the session.
