The library is automated using ILMS software named 'E-GRANTHALAYA' with full version of 3.0 with all modules like acquisition, circulation, books issue and return process etc. Separate webpage is created on the college website in word press format to update the happenings and new arrivals of the library regularly. The separate library user number is issued to all the students and faculty members for issuing text books, reference books and journals. Separate computer is provided to the library users for searching the books on Online Public Access Catalogue (OPAC) in the library. OPAC is also available on library website. User can access OPAC on his own desktop/smart phone.
