Topic:	Mathematical Typing in Microsoft Office Word and Power Point Presentation for Seminar
Applicable students:	Students of B.Sc. 1 st , 2 nd , 3 rd
Duration:	One Day
No. of students participants:	42

Why it is necessary?

Nowadays the knowledge of computer is compulsory for students of Science graduate. In the current curriculum it is necessary for the students to give seminars / participate in the intercollegiate or state level seminar competitions. In order to get the knowledge of how to give seminar in appropriate manner, department of mathematics has decided to conduct the workshop of **“Mathematical Typing in Microsoft Office Word and Power Point Presentation for Seminar”**.

Contents:

- 1) Introduction to MS-Office
- 2) Etiquettes and Manners of Seminar.
- 3) Mathematical Typing
- 4) MS-Office -PowerPoint

Activity Information:

The department of Chemistry of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar had organized one day online workshop on the topic “Chem Sketch Software” for the students of all classes of B.Sc. with chemistry subject on 06th August 2021 via online platform ZOOM.

The president for the programme was respected **Dr. Alka A. Bhise, Principal, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar.** The guest speaker for the program was **Dr. Amol P. Thakare,** Assistant Professor, Department of Chemistry, Rajarshree Shahu Science College, Chandur Railway. The programme was started by welcoming all the guest by **Dr. Kavita P. Kakade.** Afterwards, **Dr. Vinod M. Sherekar** had introduce the guest speaker with all. Finally, president of program addressed the students and congratulate the department of Chemistry for the arrangement of this online workshop.

In second session, guest speaker had delivered a wonderful lecture on the topic “Chem Sketch Software” and also given a demo of software for drawing the different chemical structure of the compound. During the online session, students also gave good positive response by interaction with guest speaker and ask questioned related to structure drawing. At last students arose question which were answered by the guest speaker.

Total 33 students had participated in the online program. At the last half of the program, **Mr. Nilesh S. Padole** had given the vote of thank.

Mathematical Typing and Power Point Presentation in Microsoft Office"
Date:16th April 2022

A one day workshop on "Mathematical Typing and Power Point Presentation in Microsoft Office" was organized on 16 April 2022 by the Department of Mathematics, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar. Mathematics is a subject covered only with formulas, figures, theorems. Presentation is important along with knowledge. In today's era, every subject needs to be connected with technology. It is always the aim of the college that the students always work smart. Also, according to the university curriculum, the students of Bachelor of Science Part 2 and 3 need mathematical typing for seminars and projects. Also, for various competitions conducted by other colleges, they must have knowledge of mathematical typing and power point presentation. Accordingly, this workshop was organized at Bright Computers, Nandgaon, Khandeshwar, in order to provide proper guidance to students in rural areas on the subject of mathematical typing. In this workshop, the students were given information about all the signs, symbols and equations required for the Bachelor of Science in Mathematics class. After that they were given knowledge of typing and practiced. Also, the importance of various aspects needed to make your presentation well was explained through power point presentation and practice was done in this regard. At the end of the course a mock test was conducted for the students in which all the students tried their best to type the equations correctly and all the students passed the mock test.

Students in their feedback mentioned that the workshop gave them the satisfaction of learning something new. This workshop was guided by Dr. Preeti Deshmukh and Dr. Abhijit Bansod of the Department of Mathematics in the college. A total of 31 students participated in this workshop. College Principal Dr. Alka Bhise and IQAC Coordinator Dr. Suchita Khodke wished for the success of this workshop.
