**BEST PRACTICE : 01**

**Title: One step towards Mother Earth**

**Objective :** Environment degradation is one of the most burning issue at global level. As a citizen's of India, it's our prime duty to act responsible to make the mother Earth a healthier and better place to live. As an Educational institute, the Students and faculty members of the college in both their campus and beyond by starting to small efforts to stop the degradation of the environment.

**Context:** The College is located in Nandgaon Khandeshwar Tahsil which is one of the talukas of the Amravati district. There is lack of town planning and the area has not been modified adequately to deal with the increasing demands of the population. Due to which, the people of this village suffer from Poor sewerage, pressure on water resources, lack of greenery, discontinuous electric supply, unhygienic environment and vehicular pollution. In spite of the limited resources, the college has started the practice under the name of “**One Step towards the Mother Earth**”.

**Practice:** To implement the practices, Green Army Club organized Green Literacy programs to spread the message of environment protection. The following programs were set for adopting and encouraging the students to start green initiative.

- ❖ **Vanmahotsav** – was celebrated in the first week of July, the students planted some indigenous species of trees to make the campus green and beautiful. **Vruksha Dindi** is regularly organized. The main intention of the rally was to inspired the citizens of the town to grow trees and conserve it.

- ❖ **Eco-Friendly Rakshabandhan** – As we know Raksha-Bandhan is to celebrate the bond between brother and sister and environment and human have the same relationship. Keeping this concept in mind the club have made eco-friendly Rakhi's from seeds of trees like Gunj, Gulmohar, Ashoka, Bahava, apta, tamarind, neem etc. and spread the message “Make, Tie & Sow.
- ❖ **Green Gansha Rally & My Bappa** – Ganesh Chaturthi celebrations culminate in the immersion of Ganesh idol into rivers, lakes, sea or ponds. As most of idols are made from POP, toxic chemical colors. These idols are non-degradable and harmful to environment. To create awareness in and around the village to use clay Ganesha and sale the Clay idols every year, Students and teachers buy idol from the stall of green army.
- ❖ **Rain water Harvesting-** The College is recently working towards the creation of an infrastructure to facilitate rain water harvesting project. The rain water from the roof top of the building collected in one pit near the bore well which increases level of water in the ground. The green grounds around the college building allow the rain water to percolate in the soil which maintained the ground water table.
- ❖ **Eco-friendly Holi color making workshop:**  
The organization of eco- friendly Holi color making workshop was planned with an intention to make aware the people about less toxic and natural alternatives of celebrating the festival of colors.
- ❖ **Seedballs making activity:**  
Before the arrival of monsoon Green Army club prepared seedballs and planned to throw them around the barren areas of Nandgaon khandeshwar

city. The survival and germination chances of seeds becomes fairly high and helps in reforestation.

❖ **Energy Conservation:**

Conserving the conventional source of energy is the need of time hence Green Army club celebrates National Energy Conservation Day every year on 14<sup>th</sup> December to inculcate the idea of conserving energy and switching on to alternative sources of energy.

❖ **Save soil:**

On the occasion of National Earth Day, a video was prepared by the Green Army members to spread the message of save soil.

❖ **Safety measure workshop-Department of Chemistry:**

The department of chemistry has arranged special awareness programs on laboratory measures and disposal of chemical waste.

❖ **Vermicomposting** – This unit has been successfully established in campus and product is put on sale to teachers and students to create awareness about organic farming.

❖ **Plastic Eradication - Mitra:** Women cell had started Mitra project in 2019-20. Aim of this project is to create awareness against use of plastic bags. Students made paper bags from the newspaper and distributed in medical stores and vegetable and fruit sellers. In next step, students those who know the stitching skill had made saree bags from waste sarees and sale it to medical stores and shops.

❖ **Botanical Garden:** The department of Botany has also created a botanical garden and maintained medicinal plants. This initiative contributes to the expansion of the green campus of college and creates awareness of the medicinal plants and trees.

## ❖ Waste Management Campaign

The college has taken initiative to create awareness amongst the citizens to implement segregation of solid waste and hand over plastic waste for recycling and safe disposal. College has installed incineration unit on the campus for hygiene and proper sanitation.

- ❖ Cleanliness drive: The institute joins hands with the Swachh Bharat Mission Program. The college has received first prize from Nagarparishad of Nandgaon kh.
- ❖ Role in Pollution controlling -The teaching and non-teaching staff adopt the carpooling system, this in turn will reduce CO2 emission. Most of the students rely on Public Transport to reach the campus.

Such an environmental supplement program inculcates an art of environment conservation among the students and makes them aware of their relationship with nature

**5. Evidence of Success:** Each initiative has undertaken by the College is a small step to contribute to save the Mother Earth. As these initiatives may take time to bring about significant changes, however the success is at the doorsteps. Following are the positive changes seen in the campus:

- ❖ The ground water level increases and it is hoped that by early 2023 the project of rain water harvesting will be successfully implemented as planned.
- ❖ Vermi-composting has been successfully implemented.
- ❖ The citizens have built up the habit of waste segregations .
- ❖ Diversity of flora and Fauna has significantly improved.

- ❖ “Ecoist restoring the glory of mother Earth is the magazine published by Green Army club.

## **6. Problems Encountered and Resources Required**

In rural area, it is difficult to educate local people about green initiatives this remains the biggest hurdle. Financial constraints remain the biggest problem for expensive green initiatives like rain water harvesting, solar panel remains.

# Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

## Paryvaran Ki Baat ....Sarvesh Marathe K Saath

Green Army Club of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar is an environment protection unit of the college. The green Army Club is engaged in promoting nature conservation, Biodiversity and environment awareness. This year 5th June the World Environment Day was celebrated by organising a guest lecture of Mr Sarvesh Marathe. Also a mobile

Photography competition was organised for the students of the College. The guest lecture was conducted online under the presidency of Dr Alka Bhise, Principal of Vinayak Vidnyan Mahavidyalaya, and Nandgaon Khandeshwar. The Speaker for the day Mr Sarvesh Marathe is a wildlife enthusiast and a well-known wildlife activist in Amravati. His work has been appreciated by department of forest. Mr Sarvesh Marathe in his interactive session informed about the condition of local environmental condition, ignored wildlife and habitat. He gave statistical data to explain the gravity of the degrading biodiversity. His talk was inspiring and enlightening. The students asked him many questions related to wildlife and things that can be done to conserve them. The program was attended by many students and faculty members. The Event was introduced to the students by Green Army Coordinator, Dr Suchita Khodke. The guest introduction was given by Dr Gajendrasingh Pachore. Members of green army Club and supervisor faculty members were also welcome. Dr Pratibha Mahalle, Head and Asst Prof Dept. of Zoology, Dr Swapnil Tinkhede, Asst Prof Zoology, Mr Subodh Bansal, Asst Prof zoology, Mr Anand Hivrale Asst Prof, dept. of Zoology were present and coordinated for the successful conclusion of the event. The president of Green Army Club Sheetal Lonare gave away the vote of Thanks to conclude the event.

Pravin Khodke Memorial Trust's

A photography competition was also organized to celebrate the World Environment Day. Students were asked to click nature photographs but with their mobile device and not with any professional camera. Students from Commerce and Science participated in the competition and submitted their photographs. First second and third prize were awarded with a Classmate Workbook with the cover page designed exclusively of their own submitted photo.

# आपल्या प्रत्येक कृतीतून पर्यावरण संवर्धन करू या सर्वेश मराठे यांचे आवाहन

अमरावती दि. ५ : प्रवीण खोंडके मोरियाल ट्रस्ट द्वारा संचालित विनायक प्रधान महाविद्यालय चंद्रपूर खंडीखर ये दिनांक ५ जून रोजी जागतिक पर्यावरण दिनानिमित्त पर्यावरण की बाबत १ ऑनलाईन कार्यक्रमाचे आयोजन करण्यात आले होते. या कार्यक्रमाकरिता मुख्द बंके मधुन प्रविण खोंडके अध्यक्ष श्री सर्वेश मराठे साभाले गेले. या कार्यक्रमाकरिता अध्यक्ष मधुन हाविद्यालयाच्या प्राचार्य माननीय डॉ. हनुका चिमे उपस्थित होत्या. तसेच हाविद्यालयाच्या आयन्सुपरी मान्यवर तथा वनस्पतिशास्त्र विभाग मुख्द माननीय डॉ. सुविता खोंडके मुद्दा संचालित होत्या. दिनांक ५ जून हा जागतिक पर्यावरण दिन मधुन जागरण हाका करण्यात येतो महाविद्यालयाच्या नि आनी काल्प द्वारा निर्माण पर्यावरण उद्योग उपस्थित करिता यापुढे पर्याटिक निर्मूलन, save oil, कंपोस्टिंग, स्वच्छता तसेच पर्यावरण जनबागुती ये विविधते उद्योग तसेच लक्षांचे मार्गदर्शन इत्यादी कार्यक्रमे संचालित केले जातात. त्याचाच एक भाग मधुन पंडा जागतिक पर्यावरण दिनानिमित्त श्री सर्वेश मराठे यांचे वाढवण आयोजित करण्यात आले गेले. अतिथींचे स्वागत करून या कार्यक्रमाचा सुरुवात करण्यात आली. कार्यक्रमाचा सुरुवातीला हाविद्यालयाच्या IQAC मान्यवर माननीय डॉ. सुविता खोंडके यांनी या कार्यक्रमाची प्रस्तावना केली. हाविद्यालयाच्या हीन आनी काल्प द्वारा वविद्युत्ता आलेल्या विविध प्रकारच्या परक्रमाची त्यांनी माहिती दिली. हाविद्यालय द्वारा पर्यावरण संरक्षण आणि संवर्धनासाठी तसेच विद्यार्थ्यांचे यागारिकामध्ये जनबागुती निर्माण हाची यासाठी save soil, Save earth, Clean and Green Our Planet, स्वच्छता अधिपान, पर्यावरण जनबागुती आदी विविध उपक्रमाबाबत यांची माहिती दिली. त्याकरिता त्यांनी इतरांनी तसेच महाविद्यालयीन शिक्षक

व शिक्षक कर्मचाऱ्यांचे मुद्दा आणून आणून की ये महाविद्यालयातच नाही तर आचार्या परिमतात मुद्दा पर्यावरण विषयक जनबागुती करीत आहेत. कचरा, e waste, पर्याटिक, कमीकरित हे सर्व घटक आणण्यासाठी तसेच पर्यावरणासाठी अत्यंत घातक आहेत मधुन आणून Reduce Reuse आणि Recycle या विमूदीचा वापर करावता ह्या असे त्यांनी आवाहन केले. तसेच वृक्ष संवर्धन ही बाबतची गरज असल्याचे त्यांनी नमूद केले. यावेत कार्यक्रमाचे प्रमुख बंके श्री सर्वेश मराठे यांचा परिचय डॉ. प्रतीभा मराठे यांनी करून दिला. यावेत कार्यक्रमाचे प्रमुख बंके श्री सर्वेश मराठे यांनी आणल्या मार्गदर्शनपर भाषणातून विद्यार्थ्यांचे विविध उदाहरणातून पर्यावरण संरक्षण व संवर्धन कसे महत्वाचे आहे याबाबत विमूत मार्गदर्शन केले. कदाचण औद्योगिक कार्यात तसेच मानवी हालचालीतून आणल्या कृतीतून वनस्पती इत्यादीतून आणल्या कमी होत आहे. जंगले हिरवीगर बने

इत्यादीतून नष्ट होत आहे तसेच वैज्ञानिक जलसाठे तलाव वदी यांचे पानी कमी होते आहे. दिवसेंदिवस पाण्याची पुरवणी कमी होत आहे. ही सगळीच चिन्हे वेगवेगळ्या काळात भवेकर दुष्काळ पटण्याची आहेत. आजच आपण आपले पर्यावरण सांभाळते नाही तर वेगवेगळ्या काळातच आपणाला काय भोगावा दुष्काळाचा सामना करावा लागणार हे निश्चित. वाढत्या कुशलतेड जंगलातूनही विविध प्राणी तसेच पक्षी अस्तित्त्व मुद्दा घोक्यात आलेले आहे. प्राण्यांचे काही प्रकारही दिवसेंदिवस नष्ट होत आहेत. यामाठी सर्वप्रथम जनबागुती करून समाजात माहिती घ्यावे लागेल त्याचप्रमाणे समाजातच पर्यावरण संवर्धनाचे तंत्र विकसित करून लोकसाहाय्य वाढवून मार्ग सांभाळणे लागतील व पर्यावरणात सांभाळत येईल असे त्यांनी नमूद केले. वैज्ञानिक संसाधने सांभाळण्यासाठी त्यांनी काही उपयुक्त साहित्ये जसे की गरज नसताना टीव्ही, फोन, दिवे बंद ठेवावे, अॅपोजीसाठी पाणी घेतांना आवश्यक तेवढेच वापरणे त्या पाण्याची यामाठी करू नये, शेवट करताना किंवा ब्रश करताना बेसिन मधील नळ बुरू ठेवू नये त्याचे भरपूर प्रयोगात पाणी वाचवा असे, तसेच क्वीन इलेक्ट्रिक उपकरणे विकत घेतांना त्याचे स्टार रेटिंग एवजी शेवट उपकरणे घ्यावी जेणेकरून बिजेची बचत होईल. उदाहरण म्हणून पाणी जमा करून ते पाणी झाडांना मिळेल अशी व्यवस्था निर्माण करावी. पाणी निर्माण करत वेत नाही पाणी जमवत आहे आणि त्यामुळे त्याचा जपून वापर करणे आणल्या हाती असल्याचे त्यांनी आवाहन केले. कुशलतेड, पाण्याची कमतरता यामुळे बऱ्याच प्राण्यांचे जंगल घोक्याची वेळ आली आहे काही प्रकारही नष्ट होत आहेत तर काही त्या भागातून लुप्त झाल्या आहेत याकडे त्यांनी उपस्थितांचे लक्ष वेधले. आपण मुद्दा आपल्या कुलीतून पर्यावरणाचे संरक्षण करण्याचा प्रयत्न करावा व आपल्या निमूदीचे संवर्धन करणार असे त्यांनी आवाहन केले. यावेत

कार्यक्रमाचे अध्यक्ष माननीय डॉ. अलका चिमे यांनी अध्यक्षीय भाषणात निमूदीची होत असलेल्या हाविद्यालय विनायक केव्ही व वेगवेगळ्या उपयुक्ततेला न झाल्यास त्याचे गंधीर पर्यावरण सचिनी भोगावे लागतील असे सांगितले. कदाचण काळातूनच मानवाच्या गरजा वाढलेले आहेत व त्याचा प्रत्यक्ष परिणाम निमूदीचा होत आहे याकडे त्यांनी लक्ष वेधले. जंगले, वृक्षा, पाणी यांचे प्रमाण दिवसेंदिवस कमी होताना जगात अतिवैज्ञानिक प्रक्रिया होत आहे हे सर्व प्रकार निमूदी असलेला होत असल्याचे आहेत आणून वेगवेगळ्या साधने ज्ञानी नाही तर याचे गंधीर पर्यावरण भोगावे लागतील असे त्यांनी नमूद केले. आपली एक छोटी कुली इतरांना मुद्दा देणा टोक राबते व आणून समाजातच जलबागुती करून भीडभाषा का होईना पण विविधतेड बंदत घटू राबतो अशा विद्यार्थ्या त्यांनी लक्ष वेधले. तेव वेतून हावेरिंग करून घालणार नाही कारण हे जमिनीतच जमा झालेले पाणी पुरवठाकरिताच उतराकडे निरतून जाईल. मधुन आणल्या परिमतात देशी वृक्ष जसे वाद, पिंपळ, अंबा, सिंगू त्यांच्यातच या झाडांची मुळे जमिनीतील पाणी घडून ठेवतील व हे पाणी आणल्याचा वाचवा येईल हे मुद्दा त्यांनी नमूद केले. तसेच आज जागतिक पर्यावरण दिनानिमित्त IQAC द्वारा महाविद्यालयाच्या परिमतात करण्यात आलेल्या कुशलतेड पाबळत त्यांनी माहिती दिली. महाविद्यालयाच्या राष्ट्रीय सेवा योजनेत व हीन आनी काल्प द्वारा विविध प्रकार उपयुक्त तसेच पर्यावरण संवर्धनासाठी राबवण्यात येत असलेल्या विविध उपक्रमांचे त्यांनी मराठेला नमूद केले. या कार्यक्रमाचे संचालन डॉ. प्रविण खोंडके यांनी केले तर उपस्थितांचे आपण श्री सुवीण कनमोडे यांनी मानले. या कार्यक्रमाकरिता हीन आनी काल्पचे डॉ. प्रविण खोंडके यांनी प्रतीभा मराठे, डॉ. स्वप्निल तिनकरे, श्री सुवीण कनमोडे, श्री शिलादेव हिबराडे व इतर सदस्य यांनी अथक परिश्रम घेतले, व हा कार्यक्रम उभारण्यात पार पडला.

World Earth Day-Save Soil Campaign 22/04/2022

# Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

**Green Army Club – Better environment , better tomorrow.**

Report on

**Save Soil Campaigning**

Date: 22 April 2022

Green Army Club, Vinayak Vidnyan Mahavidyalaya, Nandgaon (Khandeswar), Dist. Amravati has organized the 'Save soil Campaigning' on the occasion of 'World Earth Day' for awareness about the soil importance and its value among the students and local people.

Healthy soils are essential for healthy plant growth, human nutrition, and water filtration. Healthy soil supports a landscape that is more resilient to the impacts of drought, flood, or fire. Soil helps to regulate the Earth's climate and stores more carbon than all of the world's forests combined, despite of, in a competition of global economic in developed and developing countries soil pollution is a major problem. In a last few decades soil pollution is a countable global problem now.

To sensitize the issue, 'Green Army Club' organized the program and released the awareness video on YouTube platform (<https://youtu.be/4aoaRL-6OUA>) created by Vinayak Vidnyan Mahavidyalaya team.

For the successes of campaigning it was a great support by Dr. Alka Bhise, Principal, Vinayak Vidnyan Mahavidyalaya. Idea and thought person of the drive was Dr. Suchita Khodke, Head Dept. of Botany and IQAC coordinator. It was a great work by technical team Dr. Gajendrasingh Pachlore, Mr. Anand Hiwrale, Mr. Subodh Bansod, Dr. Swapnil Tinkhede, Mr. Ajay Ambhore, Dr. Pratibha Mahalle and Dr. Kavita Kakade. Green Army Club officials and students of the college were actively participating in drive.

**Green Army Club of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar gave an Eco Friendly Twist to Celebration of Holi: Organized State Level Workshop on Making of Eco friendly Holi Colours.**

Green Army Club of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar paved the way for celebrating holi in an eco-friendly manner. The clubs activity are talk of the town and everybody is talking about the clubs remarkable contribution in creating awareness towards eco-friendly activity. The executive committee of Green Army Club for the year 2021 -22 have shown a great alacrity in conducting the nature friendly activity during this session, be it Eco friendly Ganesh festival celebration or management of waste during festive seasons , the green army club has showed the way by their actual work. Last year the Green army executive committee kept up the pace of activities even

during lockdown. Many workshops were organise in an online fashion. However this year the new executive body got a fresh start and hence decide to organise the State Level Workshop for making of Holi colours in hybrid fashion with attendees offline as well as online. The registration for this workshop got overwhelming response and participant from almost all the nooks and corner of Maharashtra participated. The Workshop was conducted by Dr Suchita Khodke, Head of the department of Botany at Vinayak Vidnyan Mahavidyalaya, She is an expert on micro greens culture and rose cultivation also. Dr Suchita Khodke got an expertise in conducting such workshop Online as well as offline. She gave a brief about why there is need of using this natural colour as an best alternative for Chemical colour

that are predominately sold in market. She mentioned that this chemical colours could be carcinogenic (Cancer Causing) And even may have a prolong effect on Skin, eyes and respiratory System. She discussed on how to extract the colours from the plant material and use them by simple techniques to

**Green Army Club – Better environment , better tomorrow.**

Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

form natural, Zero Toxic eco-friendly Holi Colours. Dr Khodke showed the preparation of the colours using Arrowroot Powder (Starch Powder) and mixing the powder with colours obtained from rose petals, Hibiscus petals, "palash flowers". Bright and natural colours were thus prepared by utilizing the household materials. The offline participants were very happy to find the process easy and takes very little technical understanding. The workshop was blessed by Dr Alka Bhise as the President for the workshop. Dr Alka Bhise, Principal of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar attended the event online, she in her address to the participants conveyed her best wishes for the workshop. She also shared her memories of holi where chemical colours were used and the plight of removing those colours was painful and tiresome. She was very happy with the working and organisation of Green Army Club. The Motivation and reason for organising the workshop was conveyed to the participants by Organising secretary of the workshop Dr Gajendrasingh Pachlore, he categorically mentioned the cultural importance of Holi festival and use of natural colour to not only conserve the nature but also a way to respect the tradition. The event was supported by Dr Pratibha Mahalle, Head dept. of Zoology. She was Chief Guest of the event. Dr Mahalle introduced the Resource Person Dr Suchita Khodke to the Participants. Ms. Pratiksha Shahde , President of Green Army Club was also present on the dais along with other dignitaries, she along with the other member of Green Army looked after the successful conduction of the event. The event was also supported by Mr. Subodh Bansod, Asst. Professor Dept. of Zoology, Mr Shilanad Hiwrale, Asst. Professor Dept. Of Botany, Dr Swapnil Tinkhede , Asst. Professor Dept. of Zoology and Mr Ajay Ambhore , Asst. Professor , Dept. of Physics. The event was anchored by Sakshi Inzalkar and the vote of thanks was delivered by Shreya Dhoke Both studying in S.Y.B.Sc.

## Report on Solid Waste Management Program

Waste management is important for the proper disposal of the waste. In our daily life we produce many unwanted things called it as waste, such as Vegetable remains, plastic wrappers of chips, chocolates, biscuits etc. Therefore

There are 2 types of wastes i.e. Degradable and nondegradable. Generally people in our society throw away the household waste in various public

places. Due to this public places becomes dirty places. There for Segregation of waste is important for proper waste management. Green army club plays an important role in creating awareness about waste management. Due to this green army club of vinayak vidnyan Mahavidyalaya has arranged one day program on solid waste management in YES High School on 7<sup>th</sup> February 2022.

We have presented a demonstration of segregation of solid waste into 3 colored dustbins such as Red, Blue & Green for E-waste, Dry Waste & Wet Waste respectively. We have communicated to the students. We have promoted the students to start the segregation of solid waste into biodegradable and non biodegradable waste. Use of different dustbins for different waste suggested to the students. The harmful E-waste such as electronic and electric spare parts of mobile, computer, charger, keypad, T.V radio, Plastic etc. is collected and given to

Kabadiwala for recycle. The wet & dry waste is collected and utilized for the formation of compost fertilizer. These steps help to reduce the waste from society.

Objective of the Solid Waste Management-

- 1) To aware the students about Solid Waste.
- 2) To aware the students about proper segregation of solid waste.
- 3) To create importance of Reduce, Recycle, Reuse and Refuse of solid waste among the students.
- 4) To aware about the management of solid waste.
- 5) To create awareness in the students about production of compost from solid waste.

Activity-

- 1) Program on awareness on solid waste management in area.
- 2) Program on how to create:-निर्माळ्य पासून षतनिर्मिती.
- 3) Home to home demo on solid waste management.
- 4) Students have started the segregation of waste in their homes.

All the members of green army club actively participated and created awareness among the students of YES high school.

REPORT

MY BAPPA

**"My BAAPA" eco-friendly way to welcome Ganesh this festive season.**

**Department of Zoology and GREEN ARMY CLUB of Vinayak Vidnyan Mahavidyalaya, Nandgaon(kh) Joined Hands with Wildlife and Environmental Conservation Society for eco friendly ganesh utsav.**

India is known for its vivid festivals and rituals that are followed during these festivals. It's exciting to see people gathering and coming together to celebrate various festivals but while doing this one must also realise that this power of togetherness can be used for the betterment of planet earth and also in restoring the beauty of mother nature. One such festival of great importance is Ganesh Utsav. The arrival of Ganapati is celebrated in all the household, but it has been observed that after the 10 days of celebration is over the Plaster Of Paris (POP) idols are half immersed in local ponds and water bodies. These idols along with the bunch of offerings becomes the part of water pollution now. Although the local governing body every year makes an arrangement to reduce this pollution but ever-increasing sale of POP idols of Ganapati has made the situations worsening. To tackle this deteriorating situation GREEN ARMY CLUB of Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh) Along with Wild life Environment Conservation Society, Amravati has intaited the promotion of selling Ganapati idols made out of clay and not POP. The WECS, Amravati is a pioneer organisation and have been spreading awareness in this field from many years. Department of Zoology, of Vinayak Vidnyan Mahavidyalaya, Nandgaon(kh) have signed MoU with WECS and have actively participated in many nature friendly activities along with WECS. This year department of Zoology extended the work of WECS of spreading awareness towards clay idol instead of POP in the town of Nandgaon (kh). The Department of Zoology successfully sold more than 100 clay idol of Ganapati bappa at Nandgaon(kh). The activity was carried out in association with GREEN ARMY CLUB club of Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh). It was found that POP does not dissolve quickly and takes months and some time years to get completely dissolve. This half immersed idol blocks the passage of flow of water and hence the clogging of rives and water bodies takes place. Apart from the clogging of river mouths, the colors that are used in painting the idol are also very toxic and are source of heavy metal pollution. The best remedy to this problem is that everyone must resort to clay idol and must use minimum or no plastic decorative items. The movement started by department of Zoology will definetly gain a momentum in next year. The event was supported by all the Members of WECS specially the president of WECS Dr Anjali Deshmukh, Secretary Dr Jayant Wadatkar were great support during the organisation of the event. The event was also hugely appreciated by IQAC coordinator Dr Suchita Khodke and Principal of Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh) Dr Alka Bhise. Members of the organising commitie Dr Gajendrasingh Pachlore, Mr Shilanad Hiwarale, and Mr Subodh Bansod took efforts to make the event a grand Success.

**REPORT**  
**For Friendly Rakhi making competition 25-August 2021**

Green Army Club of Vinayak Vidnyan Mahavidyalaya, recently organized online Eco Friendly Rakhi making competition. The competition was aimed to make the students more creative towards natural things around like flowers, leaf, seed etc. The students were thus asked to create a Rakhi using all this natural material. The students were in lockdown situation as Green Army Club thought to conduct the event also in an Online fashion, hence images of the Rakhi were asked to upload on the google form and later they were sorted and winners were drawn out of these entries. Ms. Dimple Agtap of 8.3c got first prize which was in 300 rs followed by Jayshree Tarkar 200 cash prize and Akshat Shendare 100 rs for 3rd Prize. The organizing members congratulated the participants.

## REPORT

### We Are the Part of Solution: Green Army Club Celebrates World Environment Day

World Environment Day which is celebrated every year on 5<sup>th</sup> June, remains a big day for all nature lovers. The Pandemic of this year have made it more special because the message which was consistently conveyed by environmental activist for conservation of nature and prevention of unprecedented use of resources was this time conveyed by Nature itself. The lack of availability of oxygen cylinder have taught all the ignorant mind the power and greatness of the Mother Nature. It was witnessed that many realised the importance of tree and tree plantation. Among many organisation that are working in creating awareness in nature conservation, Green Army Club of Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh) stands tall because of its many year of consistent work in spreading the word of wisdom to conserve nature. The students of Vinayak Vidnyan Mahavidyalaya proactively took this task of creating awareness in rural area, they conduct workshops, Rallies and even talks are organise to spread the word of conservation.

This year owing to pandemic the talk and awareness campaign are restricted but have never stopped and whenever the time and circumstance permit the members of green army club never misses the opportunity. The Green Talk of Shri Yadav Tarte Patil was hence organised to motivate the citizens towards planting the trees and creating a green environment in rural and Urban area. Also this year the green army club organised "Bijaropan" Competition. Here the participates are expected to collect wild seeds and plant them, they will be judged after one month when the seed germinate

Dr Alka Bhise, Principal of Vinayak Vidnyan Mahavidyalaya, was president of the event. She in her preedential address categorically mentioned that humans are Trustees of the earth and not the owner and hence it's our prime duty to take care of mother earth instead the humans were found to be determined to destroy the earth, however the pandemic has taught them a lesson. She also congratulate the new executive councils and Executive members of Green army club whose installation ceremony also took place on the occasion of world Environmental Day. The New Council and Members of Green Army Club was Announced by IQAC Co-Ordinator Dr Suchita Khodke. She also mentioned that green Army Club has been playing a key role in changing the outlook of people towards the nature conservation. The Newly Appointed members of Green Army club were congratulated by Speaker of the event Shri Yadav Tarte Patil, he in his address on the topic "Role of Youth in Nature Conservation" Appreciated the idea of Green Army Club and Also Appreciated the works of the club. He shared his experience of Wild encounters and suggested few good steps to reduce the undue uses of the resources. He motivated the youth to take active participation in conservation activity, as he believes that revolution can be brought by the youth. He also shared few memories of his which were influencing and inspiring. The eminent speaker of the event was introduced by Dr Pratibha Mahalle, Head Department of Zoology. The complete event was coordinated by Convener Mr Shilanand Hiwrale and Co Convener Dr Swapnil Tinkhede. The event was concluded by the vote of Thanks by Mr Subodh Bansod Assistant professor Dept. of Zoology.

## Vinayak Vidnyan Mahavidyalaya organize I Restore Our Earth Competition

On the occasion of World Earth Day, Green Army Club and IQAC of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar, jointly organize Intercollegiate

Competition on "I Restore Our Earth". As we know that human kind have selfishly manipulated the Earth resources. Due to which our mother Earth and our health both are in danger. Hence there is need to restore our earth. So keeping this view in mind, our college is going to organize this competition for students. Because the students are the main source of sustainable future will shoulder the responsibilities and make aware the society about the consequences of the Environment. In this competition students should have to share their innovative idea not more than 500 words, on the burning issues such as eradication of plastic, greenhouse gases, pollutants of water and air, to avoid excessive usage of electricity. Ideas must be innovative. Students can also use picture and any art to illustrate their thoughts. First three excellent ideas will be awarded by cash prizes and certificate. For further details contact with Dr. Gajendrasingh Pachlore (9422957763), convener of the competition and Dr. Suchita Khodke (9823165900) IQAC co coordinator of the college. The organizer urge to student's for participate in this. Competition and share their innovative idea before 25th April 2021 to restore our earth. Registration Link for students to register their name for the competition and upload their thought's in PDF format up to 25th April 2021.

## MAJHI VASUNDHARA {MY EARTH}

Environment and Climate Change Department

Government of Maharashtra

### REPORT

#### Green Signature and Green Oath Drive: Green Army Clubs Initiative to mark " Mazhi Vasundhara Mitra "Program.

// "Maazhi Vasundhara mitr" an initiative by Gov. of Maharashtra to spread awareness among the citizen has been widely popularised among the young generation. The netizen took this program to another level and it was found that many people taking an online oath to promote the conservation of nature through various sustainable activity. The department of Nature and environmental change of Maharashtra

Govt. published a policy document for protection of environment which include plantation of tree, avoiding unnecessary use and wastage of electricity and water, creating a safe and green environment etc. Taking this as a motivation, the Green Army Club of Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh) organised a Green Signature event Along with Green Oath on the auspicious day of 26<sup>th</sup> January 2021.

The program was organised so as to involve the common citizens from rural area, as most the population in India resides in villages. The event was organised at the Bust Stop Square at Nandgaon (kh). This event was blessed by C.E.O Dr Minaxi Yadav as the chief guest, she appreciated the initiative of

green army club and also took a keen interest in other activities that green army club engages. She Precisely mention the role of young students from school and colleges to conserve the nature and she also promised to provide all possible help in future to conduct conservation activity. The president of the event Dr Alka Bhise, principal of Vinayak Vidnyan Mahavidyalaya, express her concern over the

degrading nature and she in her speech mentioned that the club has been pioneer and proactive in spreading awareness. I.Q.A.C Co-ordinator and Head of Botany department at Vinayak Vidnyan

**Green Army Club – Better environment , better tomorrow.**

Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

Mahavidyalaya, Dr Suchita Khodke was also present at the event and, she was a driving force behind the success of the event, she in her speech mention that it's never too late to start conservation. She motivated the students to start the conservation activity at home and in an around their area, before they actually start preaching. She gave a brief conceptual walk through of the complete event. She mentioned that the cloth used for signing the green signature will be used to make bags which will be distributed among the people free of cost to promote use of cloth bags as an alternative to plastic bags. Mr Chakule was guest of honour, he provided logistic support to the event. At the beginning of the event the oath was given to the guest and visitors by Assistant Prof Rupesh Fuke, he than requested the C.O Dr Minaxi Yadav to Start the event by signing on the big Cloth arrange for the event. The signature event was than open for all the guest and visitors even the bystanders took an keen interest in the event and marked their signature along with the green message for sustainable and conservation of nature. The event was successfully organised by Dr Swapnil Tinkhede , Dr Shilanad Hiwarale, Mr Subodh Bansod , and Dr Gajendrasingh Pachlore .

TULASI SAPLING DISTRIBUTION

Green Army Club – Better environment , better tomorrow.

## TULASI SAPLING DISTRIBUTION

### REPORT

Tulsi Sapling for all the blood donors: Green Army Clubs Initiative for healthy and peaceful life Green Army Club of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khanhadeshwar recently organised Tulsi Sapling distribution event. The event was organised along with the blood donation camp that was organised by Vinayak Vidnyan Mahavidyalaya. The Pandemic time was testing time for all of us and many were in need of Blood hence blood donation camp was organised. The green Army Club took this opportunity to gift the Blood Donors with a small Tulsi Sapling a sign of healthy and happy Mind. The medicinal uses of tulsi is known to all also it has a significant stauts in the culture and religion. Keeping all this in mind Green Army club decided to celebrate this blood donation camp by distributing and honouring the donors with Tulsi Sapling. Tulsi Sapling were collected from various nursery around the town and near city centre of Amravati. Few studnets also prepared the tulsi sapling at their homes and made it available for the event. Dr Swapnil tinkhede , Asst Professor dept. of Zoology took initiative in collecting all the tulsi sapling. The studnets volunteered for packing the sapling so as to make it presentable. Dr Suchita Khodke , Coordinator of Green Army Club supervised the complete process and timey instructed the members and faculty for smooth conduction of the event. Dr Alka Bhise The principal of Vinayak Vidnyan Mahavidyalaya, appreciated the efforts of Green Army Club and mentioned the relevance of the saping with the pandemic period. She also warned the studnets to follow all the direction suggested by Govt and health Authority to avoid the infection and congratulated the mebers for taking time and contributing in a nobel cause. Dr Gajendrasingh Pachlore offered vote of thanks to conclude the event.

## REPORT

### Green Army Club of Vinayak Vidnyan Mahavidyalaya, Celebrated “National Energy Conservation Day”

Every year 14<sup>th</sup> December is celebrated as “National Energy Conservation Day” Throughout India. The idea behind the celebration is that people should be made aware towards conservation of energy like electricity and non-renewable energy resources. Vinayak Vidnyan Mahavidyalaya, Nandgaon (kh) took

an initiative to spread the awareness campaign into the rural areas where resides the rest of India that includes farmers too. The college has always made it a point that the rural students of surrounding villages must

get an encouragement and enlighten from various programs that college conducts. On the same line

of action recently the green army Club celebrated the “National Energy Conservation Day” by organising drawing competition for the students of UG and PG classes. Rules of the competition were

laid down for the participants that would encourage them to come up with an innovative and original idea by painting their thoughts on canvas. Entries were called upon through the Google form because of college not being open to the students. There was huge response from various colleges and we received more than hundred entries out of which three winner and one consolation prize was selected. The entire event was supported

by the principal of the college Dr Alka Bhise, she motivated the members of the committee to organise the event. Dr Suchita Khodke, IQAC Coordinator suggested for the drawing competition to be organised as it gave an opportunity for the participants to paint their thoughts on canvas. The members of the Green Army Club, took efforts in organising the event .Prof Shilanad Hiwrale, Dr Gajendrasingh Pachlore took the follow up from all the participants and made the program a great success. The judging of the entries were carried out by few professional artist from Amravati, and final result were given. Ms Nandini Kanse of B.Sc Maths Group, from Vinayak Vidnyan Mahavidyalaya grabed the first prize , Ms Kiran Kamble stood second , while the third peize was given to LOKesh marotkar. The consolation prize was declared for Ms Vaishnavi Wakhare , from Arts and Commerce College , Warvat Bakal, Shegaon.

REPORT-ONLINE SLOGAN COMPETITION

Green Army club of Vinayak Vidnyan Mahavidyalaya, made it a point to keep the students engage and positive during the pandemic situation. The march 21 was declared complete lockdown by Govt. of India and college students were confused and depressed over the situation. To keep the moral high and also to keep the students busy with the changing scenario Green army decided to conduct a competition to celebrate the World Earth day. Every year on 22<sup>nd</sup> of April, world earth day is celebrated throughout. The idea behind the celebration is to remind the occupants of the earth that we need to take care of our planet before it's too late. The green army thus plan to have a unique Slogan competition. In this the participants were requested to register online via google form and also were requested to enter unique Slogan to showcase the need of safe guarding the planet earth. We received more than 95 entries from adjoining colleges and three best entries were adjudged to be winner. The green army tried best to distribute the certificate through the online system. We were very new to the online system but we managed to do our best. The competition was appreciated by all the participants and they also like the conduction of the competition in an online fashion. Dr Suchita Khodke, Coordinator of Green Army Club took efforts for smooth conduction of the online event. Dr Gajendrasingh Pachlore, handled the technical part. While members of Green army club Dr Pratibha Mahalle, Dr Swapnil Tinkhede, Mr Subodh Bansod and Mr Shilanad Hiwrale also contributed in the success of the event.

Workshop on Eco-Friendly Holi Colors 05/03/2020

Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

Green Army Club — Better environment , better tomorrow.

**Eco friendly Holi Color Making Workshop 5<sup>th</sup> March 2020**

Green army club of Vinayak Vidnyan Mahavidyalaya , Nandgaon khandeshwar is well known for creating awareness among the people for environment and conservation .The Members of green army leaves no opportunity to spread the word of conservation and environment protection. The raginisation of

Eco friendly holi color workshop was one such event which was specially planned by the members of green army club and faculty meebrs of zoology and botany department before the actual day of holi celebration. The holi festivals is festoival of colors, but recently many reports were sited which shows the toxic and harmful nature of the colors although the colors are very cheap but there hazardous effect on skin , eyes and

repiratory system are very harmful. Thus to counter these growing use of chemical and toxic color Green

army club cae up with a novel colors from natural dyes like colors other part of plant. The idea was Coordinator of Green Army Club, and decided to spread this simple color from natural material. The immediately came into action and logistics were carried out. The event Bhise , Principal of Vinayak Nandgaon Khandeshwar. She in by memebres and supervisor event. Dr Partibha Mahale , was also dignitaries. Dr Suchita Khodke gave the demonstration of the preparation of color. The event was coordinated by Dr Gajendrasingh Pachlore. The event wastechivally handled by Dr Swapnil Tinkhede, Mr Subodh Bansod, Mr Anand Hiwrale.

method of preparing holi from flowers , leafs and gien by Dr Suchita Khodke , She planned the workshop metod of preparing holi members of the club finalized the date and all was bestowed by Dr Alka Vidnyan Mahavidyalya, appreciated the efforts put faculty for orgainising such present along with other

Ozone Day 16/09/2019

## Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

## Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

### Ozone Day celebration 16<sup>th</sup> Sept 2019

Green Army club of Vinayak Vidnyan Mahavidyalaya , celebrated world ozone day by organizing Intra-collegiate Poster competition. The ozone depletion is major concern of the world today and hence to address this issue among the studnets was idea behind conducting the poster competition. The studnets were notified earlier with rules and regulation of the poster cometeicion. The competition was open for all the studnets of the institute.

There was a huge response and many studnets submitted their poster however only 3 winners were decalred. The competition was judged by supervising faculty mebers of Green Army Club .Mr Pritesh

Kothekar and anand

Deshmukh helped in taking out the 3 winners from many entries.

The poster were strictly made on century paper. The competeicion was officially inaugurated by Principal Dr Alka Bhise madam.

The event was also blessed by the presence of IQAC cocordinator Dr Suchita Khodke. Department of Boatany and zoology studnets made posers and participated in the event. The winners were given cash prize of 300 ,200, 100 for ist , IInd IIIrd winner respectively.

## Activity Report

### **ECO FRIENDLY RAKSHABANDHAN**

On occasion of the Rakshabandhan the National Service Scheme of Vinsyak Vidnyan Mahavidyalaya Nandgaon Kh in collaboration with Green Army Club had organized Eco-friendly Rakhi preparation workshop. Rakshabandhan is one of the most important Hindu festivals. The sister ties Rakhi to her brother on this day and wishes his auspicious long life. Similarly, the responsibility of protecting the sister is about the brother.

On this holy occasion of Rakshabandhan, the students prepared beautiful Rakhis from the seeds of various trees. Students have prepared more than 100 Rakhis of different sizes in this workshop. The purpose behind creating these eco-friendly Rakhi is that like the relationship between brother and sister is unbreakable, so is the relationship between nature and human being. So everyone should protect the environment and help to maintain the balance of the environment.

Prof. Dr. Suchita Khodke, Head of Botany Department has guided the National Service Scheme Assistant Program Officer Professor. More than 58 students have participated in this workshop. Dr. Alka Bhise, Principal praised the students and congratulated them. Also Prof. Kothekar, Prof. Chikhlikar, Prof. Deshmukh, also took special effort.

The chief guest Shri. Parve Saheb (Thanedar Nandgaon Kh. Police Station) explain students about the importance of eco-friendly Rakhi. He also appreciate this initiative taken. Ms. Nikita Chavat, Mrs. Sonali Dait, Ms. Pratiksha Tivade, Ms. Saksha, Ms. Pratiksha Verhukar, Aniket Shirke, Gopal Tupatkar, Nikhil Shelke have worked hard for the success of this program.

### WORKSHOP ON PAPER BAG MAKING

## Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

### Vinayak Vidnyan Mahavidyalaya Nandgaon Kh. Green Army Club

Session 2018-19

#### Report

Activity-- " One Day Workshop on Paper Bag Making"

Organiser : Dr Suchita Khodke, Green Army Club, VVM

Date: 24 /08/2019

Name of Trainer:

Salila Joshi-8329292655

Sweety Sontakke- 8412973095

Aashish Daydar-9552563682, Bharatiya Mahavidyalaya, Amravati.

*"We value the nature"*

Taking this thought forward, students of Green Army Club organised " One Day Workshop on Paper Bag Making" for the college students on 17<sup>th</sup> August 2018 at 2:00 pm.

#### Objectives:

1. To inculcate the habit of recycling in the students by teaching them how to make paper bags .
2. To make them aware about the threat of plastic bags to the environment.

The workshop started at 2:00pm and ended at 4:00 pm.

An inauguration function was started with welcome of Guest Ms. Salila Joshi, Paper Bag making trainer. On the occasion of an inauguration of workshop Dr. Suchita Khodke, Incharge, Green Army Club motivated the students by their speech, she said that "The main aim of the workshop was to reduce the use of plastic in our day to day life and promote the use of paper wherever possible".

In the workshop trainer was explained the steps of paper bag making

- Step 1: Collect the Things like news paper, cardboard ,scissor, glue and lace.  
Step 2: Fold newspaper.  
Step 3: Make a horizontal fold  
Step 4: Insert a cardboard piece for the base  
Step 5: Seal the base with glue.  
Step 6: Make accordion folds on both sides.

Green Army Club – *Better environment , better tomorrow.*

## Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

The workshop was organized for one day and was open for students of all streams who wish to learn creativity with paper.

This workshop was quite useful as well as encouraging.

The workshop was over with vote of thanks proposed by Ms. Kalpana Deshmukh.

Environment day Workshop on Making Seed Balls 05/07/2018

## Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

Vinayak Vidnyan Mahavidyalaya, Nandgaon Kh.

Report

Green Army Club of Vinayak Vidnyan Mahavidyalaya , recently conducted a workshop on seed Ball making. This seed balls which are prepared during the workshop will be used later during monsoon for plantation. The use of seed ball in plant propagation was documented on you tube and whats app videos. The executive members of Green Army Club hence suggested to try this innovative way of plantation along with regular way of planting the sapling. The members of green Army Club thus planned and executed the complete event with students only conducting the workshop. Ms Maheshwari Charpe and Dipali Kale Conducted the workshop and studnets prepared the seed ball. The seeds were colleceted from studnets in advance and a mixture of dried Cow Dung, Soil, and Compost was made into thick paste so that the a ball shap can be given. The seed was completely cover with this mixture and a handy ball was made. The seeds baal thus prepared were dries and ket ready for maonsoon. Soon after the arrival of monsoon the seed ball were planned to throw around the barren areas around Nandgaon (kh) city. The idea is that the seed will survive from preadators and fair chances are that the seed could germinate in the barren area an thus could facilitate the process of Re-Förestration. The students participated enthusiastically in the workshop and nearly 200 plus seed ball were prepared. Dr Suchita Khodke, Coordinator of Green Army Club supervised the event. Mr Kothekar , faulty of zoology also helped in the succesfull conduction of the event.

## GREEN ARMY CLUB

Students Initiative

Better Environment, Better Tomorrow!

### Green Army Club

Mother Earth is being ravaged by climatic change. Our celebration of Mother Earth most of us, can't help but be concerned about her health & the impact of climate change on mother earth & our own lives. Now this is time for us to help in save our dear one "Mother Earth".

Let us come together in save our life giving & life saving mother Earth.

**"Our Earth Needs Our Help"**

### Aims & Objectives

- To inculcate love of nature in the minds of college youth.
- To protect the environment by the college campus and Nandgaon (Kh.) village.
- Identify the problem to keep them environmental green & clean by plantation of trees.
- To create awareness among local people regarding environmental issues.
- To motivate students & faculty the need of saving the earth.

**Green Army Club – Better environment , better tomorrow.**

Bamboo Garden Visit 23/02/2018

Ozone Day 16/09/2017

### OZONE DAY CELEBRATION

Vinayak Science College, Nandgaon (Kh.) ,Green Army Club celebrated "OZONE DAY on 16 September 2017. A special initiative and step to prompt , young minds to start contributing their bit in nurturing and looking after " Mother Earth .

Students were prepared very beautiful and informative charts and pictures depicting drawing of the Ozone layer depletion, wrote articles which were put on notice board for display. The students also prepared slogans like protect the ozone layer! Save life on earth. Earth without ozone is like a house without roof. They also explained the different layers of atmosphere, what is ozone depletion, an awareness towards this environmental cause. This wall paper was inaugurated by Principal Dr.W.k.Pokale in presence of Dr.Suchita Khodke. Principal Dr.Pokalesir appreciated this activity and congratulates the students.

Green Ganesh Rally 19/08/2017

VinayakVidnyanMahavidyalaya, NandgaonKh.

VinayakVidnyanMahavidyalaya, NandgaonKh.

### Green Ganesha Rally

Every year, Ganesha Chaturthi celebrations culminate in the immersion of Ganesha idols into the sea, rivers, lakes or ponds. As most idols are made from Plaster of Paris and toxic, non-biodegradable chemical colours, the immersion ends up causing considerable harm to marine life. In a bid to reduce the environmental damage, Green Army Club of Vinayak Science College, Nandgaon organized GREEN GANESHA RALLY on 19 August 2017. The rally was inaugurated by the hands of Tahsildar of Nandgaon (kh.) Shri Lonarkarsaheb in presence of Principal of college Dr. W.K. Pokale, BDO, Convener Dr. Khodke, N.S.S. officer Shri Joshi were presented on this occasion.

The rally began from the Tahsil campus through Budwara chowk, till bus stand. It was a silent rally where the students had prepared slogans which said "Clay Ganesha brings gain by not causing environment pain", "We are born to help the world and not destroy it." and "Go Eco-Friendly this Ganesh Chaturthi.". The posters carried out message like SAVA LAKES, USE PLAIN CLAY GANESHA, DEVOOTION IS IMPORTANT NOT DECORATION.. The idea behind this rally is to create awareness in and around the college to use Ganeshas without any chemicals and to use Clay Ganeshas. We want to create awareness regarding the chemical hazards it causes in the environment. Throwing away garlands, plate cups and leaves in the river is also one way that they are disrespecting the festival and God and environment" says Dr. Suchita Khodke, incharge of green army club. At every square students played the act which was based on the theme of eco-friendly Ganesha. Students distributed pamphlets with guidelines about how the society can go eco friendly this Ganesh Chaturthi. Some of the guidelines were:

1. To use small Ganesha idol made out of clay.
2. Do not immerse idols in well, lakes or river, because it affects the underground drinking water. Instead immerse idols in either tank, mobile immersion tanks or at designated places.
3. Do not burst cracker, the smoke pollutes the environment.
4. Do not throw Garland, cups and plates in the river, use garbage carrying vehicles to dispose of them.

Green Army Club – Better environment, better tomorrow.

Workshop on Making of Eco-Friendly Rakhi 08/08/2017

VinayakVidnyanMahavidyalaya, NandgaonKh.

VinayakVidnyanMahavidyalaya, NandgaonKh.

## ECO-FRIENDLY RAKHI MAKING WORKSHOP

Taking concept of **ECO-FRIENDLY RAKHIS** a step forward, "GREEN ARMY CLUB" of Vinayak Science College, Nandgaon (Kh.) organized one day workshop on Making Rakhi from seeds on 8 August 2017. Rakshabandhan has been part of the Indian culture in some way or form, for centuries. Traditionally it's a ceremony observed to celebrate the bond between a brother and a sister. The 'thread' i.e. Rakhi, signifies protection and love between the individuals giving and receiving it. Likewise brother and sister, the environment and human being have the same relationship. Environment protects us from various ways but human being for their requirement destroy it roudly. Looking forward to this occasion, members of Green Army Club made biodegradable and eco-friendly rakhis from seeds of trees like subabool, red and white gunj', castor, gulmohar, khaya', ashoka, bahava', parkinsonia, apata', babbul' and tamarind, among others.

Inauguration of Green Army Club 26/07/2017

## GREEN ARMY CLUB INAGURATION

On the occasion of Environment Protection day, GREEN ARMY CLUB was established in VINAYAK SCIENCE COLLEGE, NANDGAON(KH.) on 26 July 2017. The event was conducted with an objective of creating a sense of responsibility among students towards the current environment crises and inspiring them to take action to spread awareness on Environment issues. Its aim to inculcate love of nature in the minds of college youth. The programme was inaugurated by the hands of **Shri Ravindra Kale**, Director of Pravin Khodke Memorial trust and Associate Professor of Rajabhau Kala Mahavidyalaya, Nandgaon kh.

Dr. Suchita Khodke, Convener of this club in her introductory speech explained the motto behind the establishments of this club. She also told about the Upcoming activities like 'Go Green in which plantation of trees in college campus, "PARYAVARAN CHETANA" an ENVIRONMENT Awareness programme, "ECO-FRIENDLY GANESHA" abhiyaan, various quiz, rangoli competition, field trips will organize in this club. Then the installation ceremonies of office bearers of green army club for 2017-18 were declared. Each member was felicitated by giving sapling. On this occasion, the information Brochure was inaugurated by the

Tree Plantation 05/10/2021

**TREE PLANTATION**

**AT NANNDGAON KHANDESHWAR, DIST. AMRAVATI**

**05<sup>TH</sup> OCTOBER 2021**

On 05<sup>th</sup> October 2021, Over 150 saplings were planted by the NCC unit of Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar, Dist. Amravati (Sub-Unit of Shri Shivaji Science College, Amravati) affiliated to 3 Maharashtra Signal Company NCC, Amravati, during the tree planting programme in the Nandgaon Khandeshwar tehsil. The plantation effort seeks to boost our nation's green cover, combat the threat of global warming, and improve the environment for the next generation. The NCC cadets gladly took part in the plantation drive despite the lockdown brought on by the COVID-19 outbreak. Even in their backyards, NCC cadets planted seedlings, showing that their spirit was unbowed. In this program, college principal Dr. Alka A. Bhise, IQAC Coordinator Dr. Suchita P. Khodke, NCC Coordinator Dr. Prashant B. Kharat, teaching and non-teaching staff, NCC cadets and college students were present.

**Methods of seedling raising**

**Seed pan**

Seed pans are used for raising seedlings in a nursery. They are made of metal or plastic and are filled with soil. The seeds are sown in the pan and the seedlings are raised in the pan until they are ready to be transplanted.

**Polythene Bag**

Polythene bags are used for raising seedlings in a nursery. They are made of polythene and are filled with soil. The seeds are sown in the bag and the seedlings are raised in the bag until they are ready to be transplanted.

**Session 1<sup>st</sup> by Dr. Suchita Khodke : Mode of propagation**

**SCOPE & IMPORTANCE**

- Consumption and demand rising
- India and other Asian countries have been emerging as development centers of Chrysanthemum.
- Soil and climate favourable
- Several Govt. Schemes – (MIB, APEDA, NABARD)
- Importance:
  - Nutritionally rich (highly protein, dietary fibre, vitamins, foreign exchange (cultural & traditional importance))
- Source of income for small and marginal farmers
- Self employment system

**Session 2<sup>nd</sup> by Dr. Rekha Magdewar: Blooming Chrysanthemum**

**OUTDOOR**

- Coleus
- Azalea
- Palms
- Grasses
- Aquatic
- Ferns

**Session 3<sup>rd</sup> by Dr. Dhamashree Patil: Bulking decorative foliage plants**

Session 10<sup>th</sup> by Mr.Sachin Brahamankar: Career and entrepreneurship opportunities

## Report on Microgreens: A beginning towards the healthy nutrition

During COVID-19 pandemic everyone stayed at home and avoided social gatherings. Besides the fear of infection, psychologists observed a negative impact on the mental health of people during this period of social isolation.

During this period, people became aware of importance of healthy diet and regular physical activity. So as the grocery shops and vegetable markets were closed down or open for a limited period of time people had to stay inside their homes. It was very difficult for them to go to the grocery store and vegetables shops and in an attempt to minimize exposure to the virus, people are reduced the frequency of visiting these places to buy the most fresh veggies. So People became interested in growing kitchen gardens for their own fresh vegetables.

Considering the need of the hour, Amravati Garden club Amravati in collaboration with Vinayak Vidnyan Mahavidyalaya had taken initiative to organize one day online workshop on Microgreens on 6<sup>th</sup> September 2020. In this workshop Dr. Suchita Khodke Head department of Botany was a resource person. She had given the detail information about the microgreens. Her presentation was divided in two sessions.

In the first session, she gave detailed information of Microgreens, what are microgreens, their different types, methods of cultivating them along with their nutritive values. In the second session, she demonstrated, all about how to grow them at home and caring of microgreens. After her demonstration, a session of question and answers was conducted by President Dr. Dinesh Khedkar President Amravati Garden club Amravati. Students and garden lovers expressed their views about workshop and most of them curiously asked their queries got

solutions from her. They were very happy and had given the promise that they would definitely grow microgreens at their homes. The programme was anchored by Dr. Monali Ghurde and vote of thanks was given by Dr. Ganesh Hedawoo.

Dr. Suchita Khodke is delivering the lecture

### Attendance of Activity

### Report of Activity

During the early part of the rainy season, the garden is revitalized and regular gardeners rush for fertilizer, soil, changing pots, bringing in new seedlings and so on. Currently, all the common people have developed the hobby of gardening, which is considered as the most enjoyable hobby. So, in the hard time of COVID-19 also we can never restrict the flowering of nature, and therefore, this year, Shevanti planting and rearing workshop was organized online with the message of overcoming the difficult times of struggle and the energy of green nature.

In the city of Amravati every year only for Chrysanthemum, late M. M. Shah Memorial Shevanti Flower Exhibition and Competition is organized by the Garden Club and is visited by a large number of citizens. The red, yellow, purple and white flower trays on display captivate everyone and many people ask what to do to make the Shevanti bloom in their homes. Due to its beauty, color scheme and variety, the flower which is at the forefront of the flower arrangement all over the world. Growing "Shevanti" has a unique technology of when and how to cultivate it. Shevanti planting workshops are organized by the Garden Club for the citizens every year and the number of Shevanti planters is increasing day by day by adopting this technology. Many plant lovers are still demanding to organize such workshop. As Amravati Garden Club has its unique identity in well planned and executed organization. Even though there is restriction for offline workshop the Amravati Garden Club has taken initiative for conducting it on Virtual Platform. The workshop was held on Sunday, 2nd August 2020 from 2 to 5 pm. In the first session of this workshop, Dr. Rekha Maggirwar, Secretary, Amravati Garden Club has given detail information through Power Point presentation and in the second session Shri. Subhash Bhave, Vice President, Amravati Garden Club and Shri. Anil Bhode, Honorary Executive Member and Shevanti Cup Emperor have guided the participants with the demonstration.

The training was imparted with the help of ZOOM MEETING and also broadcasted live on the Garden Club website ([www.agca.webx.in](http://www.agca.webx.in)).

E-Certificate Course on Plant Tissue Culture 01/06/2020 to 07/06/2020

## “Report on E-Certificate course on Plant Tissue Culture”

Department of Botany, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar had organized seven days online certificate course under the title of “E-Certificate course on Plant Tissue Culture” for the senior college students of final year, researchers and teachers of all over the India. E-Certificate course was announced on 29<sup>th</sup> May 2020. Notice for the programme was circulated through social media like whatsapp, Telegram etc.

The e-certificate course was started with registration of participants followed by inauguration by the hands of Dr. Alka Bhise, Principal, Vinayak Vidnyan Mahavidyalaya, Nandgaon khandeshwar. Anchoring of the e-certificate course has been done by Dr.Gajendrasing Pachlore, Faculty, department of Zoology. Introduction of the program was given by Dr.Suchita Khodke, Head department of Botany.

Dr. Suchita Khodke gave introduction of key note speakers of the program. Dr.Dhiraj D. Naik, assistant professor, department of Botany, Jankidevi Bajaj College of Science, Wardha and Dr. Varsha Hatke, associate professor, department of Botany, Government Vidarbha Institute of Science and Humanities, Amravati were the key note speakers of the program. The speakers had delivered the lectures and practical demonstration live on YouTube and Google meet app, and remaining lectures were provided to the participants in the form of pre-recorded videos of speakers on telegram group. Telegram group of participants was made for communication and to provide necessary pre-recorded video links to the participants. Few lectures had delivered in the form of pre-recorded videos by Mr.Shilanand Hiwarale, assistant professor, department of Botany, Vinayak Vidnyan Mahavidyalaya, Nandgaon kh. All sessions were delivered on time as per schedule from 1 June 2020 to 7 June 2020 on following topics.

**Certificate:** E-Certificate Course in Plant tissue Culture

*Suchita Khodke*  
Dr. Suchita Khodke  
Head, Department of Botany  
Dept. of Botany  
Vinayak Vidyan Mahavidyalaya  
Nandgaon Kh.

#### Topics covered in e-certificate course

- 1) Introduction to PTC
- 2) Laboratory instruments and sterilization techniques
- 3) Preparation of culture media and growth hormones
- 4) Tissue culture techniques
- 5) Micro-propagation and anther culture
- 6) Synthetic seed and cryopreservation
- 7) Career opportunities in PTC

Mock tests were given to participants on particular topics covered by the speakers.

The final mock test with all compulsory questions of 50 marks was given to participants on the last day of program on all the topics covered. Student's interaction and discussion has been done with all the resource persons on all the topics covered in seven day and some participants gave feedback about the program. In the last session of program after valedictory Mr.S.V.Hiwarale performed vote of thanks and finely the e-certificate course was concluded by due permission of president of program.

E-certificates has been send only to those participants who scored 50% marks in final mock test and filled up the feedback form.

## Report of Basic Gardening Techniques

A three days online workshop was organized by Amravati Gardn club,Amravati in collaboration with Vinayak Vidnyan mahavidyalaya, Nandgaon kh., shri shivaji science college Amt,shri shivaji horticulture college Amt , G.S.tompe college Chandurbazar, Rajarshri shahu science college, Chandur Railway and Kiran nursery,Amt from 29<sup>th</sup> to 31<sup>st</sup> May 2020 at 5- to 6.30 pm. The main objective of the workshop was to provide basic knowledge of gardening to plant lovers.Because there were lot of complaints from the people that the plants which they bought from nursery were fresh and healthy. But after they brought them home they look dull and less healthy. So they didn't understand what were the reasons behind it.

Keeping thisproblem of the garden lovers in mind, this workshop was arranged to share the effective gardening techniques by the experts, about how to prepare soil for different plants and potting and repotting of the paluts. The workshop was inagurated by the hands of Dr.Dinesh Khedkarpresident of the club. In the first session of this workshp,Dr. Sachita khodke Head department of Botany ,Vinayak Vidnyan Mahavidyalaya, Nandgaon kh.was the resource person and she delivered the techniques gardening throughpower point presentation. In her presentation she throughly described the different soil types and their suitability accroding to the type of plants. She also gave guidance how to prepare soil mixture. After her presentation the practical session was done at Kiran Nursey where Mr.Subhash Bhave gave the live demonstration of the soil types, potting media etc.

On the second day, Shri Nilesh Phutane, gave detailed information about how plants be potted in a pot and their repotting techniques. In the second part Dr. Sheetal Chitode gave

practical session of potting and re-potting techniques. All the participants were eagerly waiting for the third day in which Dr. Pachlore and Dr. Gulahane shared information on Kitchen Gardening. After the discussion the workshop was ended by vote of thanks proposed by Dr. Rekha Maggirwar, secretary amravati garden club. The technical assistant support was given by Dr. Umesh Kanharkar and Dr. Mayur Gawande.

Dr. Suchita Khodke delivering the lecture (As a resource person)

### “Report on Mushroom Cultivation Technology and Farming”

Date: 17-02-2020  
Name of Activity: “One Day Regional Workshop”  
Coordinators: Dr.Suchita Khodke, Mr.Shilmanand Hiwarale  
Topic: “Mushroom Cultivation Technology and Farming”  
Applicable students: Students of B.Sc. 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> (CBZ)  
Duration: One Day  
No. of students participants: 63

#### Why it is necessary?

Mushroom belongs to the group fungi are rich in chemical components which works as nutrition for the human beings. If students knows the cultivation technique, students can cultivate it in small or large scale and make its production by farming. Students can make its different products and sale in the market, means mushroom cultivation gives opportunity to earn money. All this cultivation can be done in small area or small room at home. In favor of students on above subject department of botany has planned the one day regional workshop on “Mushroom Cultivation Technology and Farming”

#### Contents:

- 1) Introduction of Mushroom
- 2) Mushroom Cultivation Technologies
- 3) Mushroom Cultivation Protocol
- 4) Mushroom Farming
- 5) Cultivation Practice of Mushroom

### Report of Mushroom Cultivation Techniques

Department of Botany, Vinayak Vidnyan Mahavidyalaya, Nandgaon Khandeshwar had organized One day regional workshop under the title of Mushroom Cultivation Techniques for the senior college students of botany. Workshop was announced on 01 August 2018. Notice for the programme was displayed on the notice board of college.

The workshop was started with inauguration by the hands of guest speaker Dr.G.B.Hedwoo, Assistant professor, Department of Botany, Shri Shivaji Science, Amravati. Anchoring and introduction of the workshop has been done by Mr. Anand Deshmukh of the Dr.Suchita Khodke, Head department of Botany expressed her presidential speech.

Dr.G.B.Hedwoo delivered the speech on mushrooms, in his speech he gave information about the taxonomy of different mushrooms found in Maharashtra and in our locale areas. In the next demonstration session Dr.Hedwoo gave the demonstration of Mushroom cultivation to the students. Students had also performed the culture bags of mushroom spores in the observation and guidance of Dr.G.B.Hedwoo. After question, answering and discussion, vote of thanks was performed by Mr. Anand Deshmukh and finely the workshop was concluded by due permission of president of program.
